## Fleet and Workshop Services

Our team are experienced in managing a fleet of 300 road registered and non registered vehicles and plant all of which are maintained, repaired and serviced at our workshop facilities in Poole. We carry out MOTs, repairs and servicing on commercial fleets including those of local businesses.

Our Fleet department acts as a support service to all units within the Council, and therefore we strive to ensure that our customers receive an effective and flexible approach to vehicle management.

We endeavour to offer a bespoke service to match each of our customer's needs, from ad-hoc repair work to a fully managed fleet package inclusive of legislative vehicle training, regular inspections and a MOT service. We use the latest high-tech diagnostic equipment for high quality and efficient maintenance and repair. Our team utilises our Fleet management system to provide an inventory of all vehicles for external customers and the Council's fleet.

All of our workshop facilities and equipment are regularly inspected and maintained to a high standard. All testing equipment is calibrated to Ministry Of Transport specification.

Our fully skilled vehicle technicians / fitters are qualified to inspect and repair vehicles and plant from small cars to large goods vehicles having served their apprenticeships achieving City & Guilds or Vehicle technician status.

# Servicing, maintenance, repairs and inspections

- **regular inspection regimes** to DVSA standards can be managed to suit your fleet needs, from scheduling to document management.
- **full service and repair facility** via our skilled fitters, billed on a 'pay as you go' basis with no fixed contractual cost.
- **external wash and internal valet** via an external contractor.

## MOTs

**We offer a transparent and independent service for MOTs covering Class 4, 5 and 7 vehicles.**

Our MOT team will undertake any minor repairs i.e. bulbs and wipers etc. Should your vehicle fail, you will be told only what is needed to ensure your vehicle will pass a retest.

We can carry out your MOT test while you wait, or alternatively, you can leave your vehicle with us and collect it up to 5pm the same evening. You can book between 8am – 5pm Monday to Friday (excluding bank holidays).

**Class 4** Cars up to 8 passenger seats, goods vehicles up to 3,000kg MAM, private passenger vehicles with 9 to 12 passenger seats and motor caravans.

**Class 5** Private passenger vehicles with more than 13 passenger seats, novelty and play buses.

**Class 7** Goods vehicles over 3000 kg up to 3,500 kg MAM.

## Why you should choose us

- We are an established and trusted organisation
- We offer competitive prices
- Our technicians are fully skilled in both light and heavy vehicles
- We are committed to carbon reduction and environment sustainability
