### Hamworthy Park Junior School Admissions Policy

**The following information is for admissions for the academic year 2019/2020**

This policy sets out the admission arrangements for the **Hamworthy Park Junior School**. The school will comply with all relevant provisions of the statutory codes (the School Admissions Code and the School Admission Appeals Code) as they apply at any given time to maintained schools and academies, and with the law on admissions as it applies to publicly funded schools. Reference in the codes to admission authorities shall be deemed to be references to the governing body of the school.

Children with an Education, Health and Care plan issued by a local authority naming Hamworthy Park Junior School will be admitted before preferences are considered for admission in September.

#### **Oversubscription criteria**

Where there are more applications than places available the following criteria will be used, in numerical order, to decide the priority list for the offering of places up to the school's Published Admission Number of 120 for the admission year group:

1. Looked after children and children who were looked after, but immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order.
2. Children with a sibling who is already attending Hamworthy Park Junior School and will continue to attend Hamworthy Park at the time of admission.
3. Children on the roll of Twin Sails Infant School & Nursery.
4. Children with a sibling who is already attending Twin Sails Infant School in Reception or Key Stage 1 and will continue to attend Twin Sails at the time of admission.
5. Children of staff at Hamworthy Park Junior School:
  - a) where the member of staff has been employed at Hamworthy Park for two or more years at the time at which the application for admission is made
  - or
  - b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
6. Children eligible for the service premium (see appendix 1)
7. Children who have the shortest distance between home and Hamworthy Park Junior School measured by shortest safe walking distance.

### **Tie break**

If Hamworthy Park Junior School is oversubscribed in any of the categories 1, 2, 3, 4, 5, 6 and 7 above, pupils who live closest to the school will be given priority. The school will use random allocation for applicants living an equal distance from the school or in the same block of flats who are eligible for the remaining places. Applicants will have their names drawn as lots to see who should be offered the place(s). The person drawing the names will be a member of the Trust who has no involvement with school admissions. Please read the final section in the policy for more information about how distance is measured.

### **Siblings**

Priority will be given to those who have a brother or sister attending Harbour View Federation schools in Reception, Key Stage 1 and Key Stage 2 at the time of admission but not application. This means that there will be no sibling connection for admission purposes for applicants for entry to Year 3 in September 2019 if they have a brother or sister in either the Nursery or in Year 6 at the time of application.

The definition of a brother or sister is:

A full brother or sister who lives with one or both parents or carers in the same property during the school week

- A half-brother or half-sister who lives with one or both parents or carers in the same property during the school week
- Adopted or foster children who live with one or both parents or carers in the same property during the school week
- Non-blood related children who, together, all live with one or both parents or carers in the same property during the school week

### **Children of multiple births**

Where the final place in a year group is offered to one of twins, triplets or other children from multiple births living at a single address, the other siblings of the multiple birth will be admitted over the school's Published Admission Number.

### **Service Personnel**

Children eligible for the service premium

- have parent(s) who currently serve in the UK regular armed forces
- have parent(s) who served in the UK regular armed forces at any time in the last 6 years
- have parent(s) who died serving in the UK regular armed forces and are in receipt of a pension under the Armed Forces Compensation Scheme or War Pension Scheme

If you are applying for a place for a child at Hamworthy Park Junior School who is eligible for service premium you must be able to provide evidence. Please complete the Supplementary Information Form in Appendix 1.

### **Proof of home address**

The home address of a child is considered to be his/her permanent residence. The address must be the child's only or main residence. Documentary evidence may be required. Proof of permanent home address includes current council tax, statements, utility bills, residence orders or any other documentation considered appropriate. Documents will only be used for the purpose of verifying an applicant's home address.

Where a child spends time with parents at more than one address, then the address given should be the one of the prime carer. The prime carer is the parent in whose name Child Benefit payments are made. If Child Benefit payments are not received by either parent, then the address that the child has been registered at with a General Practitioner (GP) will be considered as the home address of the prime carer. You may be asked for evidence of who is the prime carer. The final decision on the home address of a child will be made by the school.

### **Fraudulent Information**

If the allocation of a place has been made on the basis of fraudulent or intentionally misleading information, the Governors reserve the right to withdraw the place. An offer of a place can be withdrawn even after the child has started at the school.

### **Waiting List**

Parents / Carers whose applications have not been successful may request that children's names be placed on the waiting list for one academic year. The waiting list is ranked using the over subscription criteria above applied in the order set out. If and when further places become available (for example because a family with a child at the school or to whom a place has been offered moves away), these are offered to children at the top of the list. It should be noted that children can be added to or removed from the waiting list at any time (for example because a family moves to the area) with the result that the ranking of a child already on the list may move up or down.

### **Pupils with disabilities**

Children with disabilities will be treated no less favourably than other applicants for admission. Disabled children will be given equal consideration of a place with others under the stated criteria for admission. The definition of disability is that contained within the Equalities Act 2010 (amended). Hamworthy Park Junior School will make reasonable adjustments to ensure that pupils with disabilities are not placed at a substantial disadvantage in accordance with the Disability Rights Commission Code of Practice.

### **Admission of children outside their normal age group**

Applications for children to be educated in a year group different to that determined by their date of birth, will be considered on their individual merits by a specialist Harbour View Federation Admission Panel comprising the Executive Headteacher, a Board Member from the Governing Body and SENCO from Hamworthy Park Junior School.

If the Executive Headteacher is unable to sit on the Panel then the Head of School will take his place.

The Harbour View Federation has adopted the local authority's "Policy for responding to parental requests for admission to community and voluntary controlled schools to a year group different to that determined by their date of birth" when considering applications for a year group different to that determined by date of birth.

Details of what you need to do to apply for a different year group can be found in the policy document available online at <http://www.poole.gov.uk/education-and-learning/school-and-colleges/school-admissions/> or from the Poole Admissions Team.

### **Late Applications**

Late applications will be acknowledged and if places are unavailable, the child will be placed on the school's waiting list in criteria order.

### **In year admissions**

For in year admissions (not including looked after and fair access, please see sections below), where there are more applications than places available, the school will prioritise applications in order of the oversubscription criteria. This means that there will be no sibling connection for admission purposes for applicants if they have a brother or sister in the Nursery.

### **In year admissions of looked after children**

A looked after child may be admitted to Hamworthy Park Junior School above the Published Admission Number if it is felt that the school is the most appropriate placement to meet the needs of the individual child. The school has adopted the Borough of Poole Protocol for dealing with in year admissions of looked after children.

### **In year admissions fair access (including children moving into the area)**

Hamworthy Park Junior School adheres to guidelines set out in the In Year Fair Access Protocol organised by the Borough of Poole Admissions Team. The purpose of the In Year Fair Access Protocol is to ensure that outside the normal admissions round, unplaced children, especially the most vulnerable, are offered a place at a suitable school as quickly as possible. Cases are considered by a Panel comprising Headteachers and/or their representatives. When seeking to place a child, the Panel will consider all schools in a fair, equitable and consistent manner. Decisions of the Panel may mean that individual schools admit children above the Published Admission Number.

### **How home to school distance is measured**

The distance from home to school is measured by using the shortest, safe and practicable walking route using the centre line of public roads and footpaths (excluding paths identified for the sole use of bicycles i.e. cycleways) from the nearest point on the public highway to the centre point of the child's home address (see Note 2 above for definition of home address) to a point opposite the nearest approved access point on school property that is for the use of pupils. The centre point of the child's home address is the centre of the land parcel that the building resides on. The GIS maps used are provided by Ordnance Survey and represent the position as at the beginning of the annual admission cycle i.e. September in the year prior to admission. Any footpaths or roads added after this time will not be taken into consideration until the next academic year of application.

*Every Child, Every Day, Every Possibility*

Hamworthy Park Junior School is proud to be part of the Hillary Trust

For applicants living on islands within Poole harbour the distance measurement will be a straight line from the centre point of the home property to either:

1. the nearest public landing steps at Poole Quay, or
2. a point on the mainland that the applicant proves to the satisfaction of the school that he/she can access

and from that point the distance will be measured using the shortest, safe and practicable walking route to the nearest point on the public highway and from there using the shortest, safe and practicable walking route using the centre line of public roads and footpaths (excluding paths identified for the sole use of bicycles i.e. cycleways) to a point opposite the nearest approved access point on school property that is for the use of pupils.

If an applicant advises the school that the child would or could use the Sandbanks/Studland Chain Ferry in the journey to school then the distance will be measured on that basis from the home address including the distance travelled by the ferry.

**Admission to Hamworthy Park Junior School will be in accordance with the agreed scheme for co-ordinated admission arrangements 2019/2020.**
