

BOROUGH OF POOLE

RESIDENTS CARER PARKING PERMIT

CONDITIONS OF USE

- Permits will only be valid for the vehicle registered and nominated on your online account.
- A physical paper permit will not be issued, instead a virtual permit will be assigned to your online account.
- If after applying, it is found that you have fraudulently applied for a permit you were not entitled to, the permit will be cancelled immediately and no refund of payment will be made.
- You can register more than one vehicle on your account and each vehicle must be registered to the carers address.
- Permits can be shared between more than one vehicle, however, the vehicles cannot be used at the same time. If you require more than one vehicle to be used at the same time, you will need to apply for additional permits.
- If you have more than one vehicle registered on your account, it is your responsibility to ensure the vehicle you are using is the nominated vehicle on your online account. If you use a vehicle and have not made it your nominated vehicle online, you risk the issue of a Penalty Charge Notice, which will not be cancelled.
- The permit does not guarantee the availability of a parking place.
- A permit will only be issued to a vehicle under 3500 kg in weight (this is the former private/light goods taxation class).
- The permit allows you to park for an unlimited time within those parking places in the area requested where the signs indicate a 2 hour limit and that permit holders are exempt.
- The permit is not valid for Council Housing Land. These permits need to be obtained separately from the Parking Administration Section.
- If the registration number on your online account needs changing, please log-in to your account and select the appropriate permit from "My Permits" and then "Request change of vehicle" where the vehicle details appear. The new vehicle will be available for use on production of the required evidence, which has been verified by a Parking Officer.
- By applying you give us authorisation to check the Council Tax or Electoral Roll records to confirm your residence. If you are not named on these records you will need to supply further evidence of your residence e.g. Tenancy Agreement.
- The information I have given in this application is correct and complete. I understand that it is an offence to dishonestly make a false statement or produce false information (or cause or allow another to do so) or to misuse or allow my season ticket to be misused and that in such circumstances the Council may cancel my season ticket and prosecute me.
- Refunds will only be processed for any unused whole months remaining on the permit.
- The council reserves the right to withdraw any permit found to have been improperly issued or used.
