# Poole Opinion Panel - Appendix A

The Aim

Do you want Poole's Beaches to have different areas for different activities?

What would make it easier for you to get to the beach without a car?

## Appendix A - The Aim
## Do you agree with the Council's aims to conserve, improve and invest in Poole's beaches?
Comments from those who **agree** with this statement – 313 comments.

1. *A good beach plus facilities encourages visitors and revenue*
2. *A great asset significantly under used outside summer*
3. *A major tourist attraction, hence extra revenue*
4. *A natural landmark that must be preserved for the future*
5. *A winter's pleasure for Poole's population, and a money spinner in the summer.*
6. *about time they were conserved*
7. *Access could be better by public Transport*
8. *Agree with Council's aim but suspect it will prove too expensive*
9. *All- round investment for the future*
10. *amenity for town and attraction for visitors*
11. *An important asset which brings in visitors*
12. *Any improvement will improve Poole, (stop dogs on Beach all year)*
13. *Any updates are welcome, if left things become dated*
14. *As a natural asset they need to be managed. supported for everyone's benefit*
15. *As a whole community we benefit from tourists who support the area thus we need to not only look after and invest for local residents but also for business tourists.*
16. *As an ongoing legacy for future generations*
17. *As stated they are one of our best assets - more beach huts and more facilities as outlined in plan - excellent*
18. *Asset improvement = greater community appreciation and respect*
19. *Available funds are always the limiting factor. New infrastructure and facilities needs to blend in with the existing environment. We are not Blackpool!*
20. *Beaches are important part of Poole, place for rest and entertainment for many people and tourists.*
21. *Beaches are one of Poole's greatest assets.*
22. *Beaches are part of key local infrastructure and should be maintained and improved.*
23. *Beaches are the town's prime assets*
24. *Beaches need to be conserved for future generations*
25. *Beaches not an important feature of our area.*
26. *Beaches promote the area and well being of residents*
27. *Beautiful area that deserves to be looked after*
28. *Beautiful soft golden sand. Views. Clean and fresh.*
29. *Beautiful, natural, local facilities that deserve to be improved and invested in*
30. *Because beaches attract tourism which makes money*
31. *Because it needs doing*
32. *Because it should not be allowed to run down loaded question*
33. *Because they are very good.*
34. *Because we are a seaside town and is one of our main attractions so we are in agreement to update*
35. *Because we are well known for the cleanliness of them.*
36. *Because we need to attract people also we are looking after it for the next generation*
37. *Benefit to population*
38. *Benefits residents and tourists*
39. *best things about Poole is the beach!*
40. *Better services and facilities needed.*

41 *Better toilet facilities, cleaner beaches..*

42 *Brings more tourism to the area.*

43 *But 1.25 million is already collected by beach huts*

44 *but no accommodation = damage = litter*

45 *But not year round at the risk of losing the natural beauty.*

46 *Can you stop the horde of cyclists?*

47 *Clean tidy brings in people*

48 *Conservation*

49 *Conserve but not spend money on new investment - not necessary.*

50 *Could do with improvement*

51 *currently very tired and tatty*

52 *Danger of being dwarfed by Bournemouth and overtaken by Weymouth as tourist destination*

53 *Do not sell out/ off to (usual suspects) speculators/tycoons/developers. Rome was not built in a day! or copy BMths failures and Quay and Town and Asda etc*

54 *Don't waste too much money. Be selective.*

55 *Encourage more visitors*

56 *Encourage tourism*

57 *Encourage tourism*

58 *Enhancement of the area*

59 *Especially if income generating*

60 *Excellent beaches, keep it up.*

61 *excellent for resident who use beaches and encourage more visitors*

62 *Excellent idea to conserve and improve a great resort*

63 *Excellent resource. Natural environment*

64 *Fair access to funds hopefully*

65 *For enjoyment*

66 *for leisure purposes if only walking the promenade*

67 *For the benefit of all*

68 *For the benefit of rate payers.*

69 *For the enjoyment of tourist and local people*

70 *For the future*

71 *For the future generations eg. my grandchildren*

72 *For the good of the people who use them*

73 *For the pleasure of people who use them*

74 *For visitors*

75 *Golden asset*

76 *Golden Assets*

77 *Good advert to encourage tourism.*

78 *Good for economy - but what about Hamworthy*

79 *Good for long term*

80 *Good for Poole and tourism*

81 *Good for tourism therefore brings money to the area*

82 *Good place to relax and enjoy air.*

83 *Great for tourism*

84 *Have more checks on dog fouling.*

85 *However, development needs to be sympathetic to the surroundings*

86 *I agree it is time to invest and modernise unattractive open areas*

87 *I agree that some areas look dated*

88 *I agree with the identified objectives and issues*

89  *I believe they are the reason a lot of people live and visit Poole*

90  *I believe we have some of the best beaches in the world*

91  *I consider them a unique asset that should be developed.*

92  *I would support non commercial facilities so local people can enjoy - keep its low key special charm*

93  *If it includes Hamworthy*

94  *If neglected will end up as a dumping ground*

95  *If only to clean regularly, ban all dogs all the time, useable toilets kept clean.*

96  *If the beaches are clean with good facilities - people will come back*

97  *If there is money in this pot to make changes*

98  *If there is no conservation and improvement decay sets in quickly and this reduces the appeal to everyone*

99  *If you don't improve facilities the tourist trade will dry up*

100  *Important part of what makes Poole a nice place to live*

101  *Important to keep up with the times*

102  *Improved facilities will attract greater use.*

103  *Increased amenities and use*

104  *Investment in future tourist attractions*

105  *It brings people to the area*

106  *It encourages tourist*

107  *It gives families a healthy cheap day out, like my family had*

108  *It helps to bring money into town, with tourists visiting.*

109  *It is a big part of what Poole is (The Beaches)*

110  *It is a target for National /international visitors*

111  *It is an investment*

112  *It is essential for future tourism as well as for locals*

113  *It is good that Poole wants to extend and improve existing facilities, some of which are currently quite old*

114  *It is important to care for our precious coastline in the best way.*

115  *It is main attraction for residents and tourists and must be improved.*

116  *It is one of Poole's best assets*

117  *It is our greatest asset*

118  *It needs it*

119  *It preserves a pleasant, desirable place to visit*

120  *It should be good for wheel chairs*

121  *It should be there for present and future generations, both local and visitors*

122  *It should encourage more holiday makers*

123  *It will attract tourist to the town*

124  *It will bring in more revenue*

125  *It would be good for tourism and the environment*

126  *It's  a natural asset make the most of it.*

127  *It's a fantastic location, the potential in the facilities should be maximised*

128  *It's a natural beauty, which brings revenue to Poole.*

129  *It's an asset that looks tired.*

130  *It's beautiful!*

131  *It's good for the environment and the residents*

132  *It's not that bad now, but need to keep it good.*

133  *It's one of our greatest assets!*

134  *It's one of Poole's most popular assets*

135  *It's our best asset!!*

| 136 | *It's the best part of Poole.* |
|---|---|
| 137 | *It's the best thing about Poole* |
| 138 | *It's the future attractions* |

| 163 | *Need to continue to attract visitors and increase popularity* |
| 164 | *Needs dynamism to join the 21st century, to do that investment is needed. Go for it.* |
| 165 | *Nice beaches are an asset to Poole for residents and tourists* |
| 166 | *No dogs on beach all year for health's sake especially children* |
| 167 | *Number one tourist draw* |
| 168 | *Obvious necessity* |
| 169 | *One of best stretches of sandy beaches in country* |
| 170 | *one of Poole's biggest assets* |
| 171 | *Our beaches are a wonderful asset which we must ensure they are here for our children and grandchildren* |
| 172 | *Our main asset and tourist attraction* |
| 173 | *Our main recreational area.* |
| 174 | *Particularly as our beaches are nominated as the best in Britain and fourth best in Europe (recent survey of general public)* |
| 175 | *Parts of beach need major improvement showers/toilets/cafes* |
| 176 | *Pleasurable i.e. cleanliness etc.* |
| 177 | *Poole bay and beaches are a great place and excellent views* |
| 178 | *Poole biggest asset* |
| 179 | *Poole has the most beautiful beaches in the UK, popular with tourists and residents and they need to be kept* |
| 180 | *Poole is a popular holiday resort. Improvements would enhance what is a beautiful resort.* |

181 *Poole is one of the most beautiful beaches in the world in its natural state, but could and should be modernised*

182 *Poole is renowned for its beaches - they need looking after*

183 *Poole relies greatly on tourism so our beaches need to be looked after*

184 *Poole's beaches are a major asset to the town. New and refreshed facilities and environment would encourage more usage and potential revenue increase.*

185 *Poole's beaches are unique in so many different ways*

186 *Poole's best assets, and probably one of UK'S best assets!*

187 *Poole's coastline is a haven for wildlife and is of natural beauty*

188 *Poole's greatest asset*

189 *Probably Poole's biggest asset for visiting holiday makers*

190 *Promote tourism*

191 *Provision of amenities (in all weathers) is vital*

192 *Seems a good idea*

193 *Seems a good plan*

194 *So future generations can take pleasure in our wonderful landscape*

195 *So that we can enjoy a pleasant time when down there*

196 *Some areas need improvement old buildings*

197 *Some areas need updating, tidying up, not necessarily improving*

198 *Some facilities are in need of updating*

199 *Some upgrading of facilities and extra seating*

200 *Such a stunning asset should be projected for future generations.*

201 *Surely this can only be a good think*

202 *The beach should be conserved and kept clean*

203 *The beaches add to Poole's popularity*

204 *The beaches are a major attraction available for all*

242 *They are the best in the country*

243 *They are the best in the UK and need to remain that way*

244 *They are the unique selling point for Poole.*

245 *They are very important areas which should be improved, cared for and conserved*

246 *They attract visitors*

247 *They have been greatly improved. Well done!*

248 *They need improvement*

249 *They need improving and modernising*

250 *They need up dating*

251 *They're one of the main attractions of the area.*

252 *They're very beautiful. Wouldn't like to see too much commercialism*

253 *Things must not stagnate*

254 *Think all areas to befit Poole - taste for the good things in life i.e. family & nature*

255 *This is our jewel and main attraction*

256 *To attract visitors to the area*

257 *To bring in tourists to enhance Poole's economy.*

258 *To bring tourists that will spend money in the area.*

259 *to conserve and improve nature's way*

260 *To conserve the natural environment*

261 *To encourage holiday visitors*

262 *To encourage locals and holiday makers to visit*

263 *To encourage people to come and enjoy this beautiful area and to spend their money here.*

264 *To encourage tourism & revenue*

265 *To encourage visitors but a different experience to that in Bournemouth - see Q8*

266 *To ensure its there and used by future generations.*

267 *To give our children the beaches in the future.*

268 *To go with the times we live in*

269 *To improve public facilities*

270 *To increase income from visitors improve facilities for local residents*

271 *To invest in beaches is a way to increase returning visitors.*

272 *To keep Poole beautiful*

273 *To keep the areas with the time, but keeping tradition*

274 *To keep them up to standard.*

275 *To keep up with continental standards it all needs updating and attractive for visitors.*

276 *To maintain and enhance the amenities for residents and visitors*

287 *Tourism is a major part of Poole's economy*

288 *Tourism is important to the local economy and with the increase in houses with little outdoor space the beach is important to emotional well-being*

289 *Tourism; Recreation for local residents including sports and children's amenities*

290 *Tourists*

291 *Update and preserve attractions and natural open space*

292 *V. important to do this in a controlled / monitored way*

293 *Vital for maintaining local economy and conservation.*

294 *Vital for the economic interest*

295 *We are so lucky to have beautiful beaches let's look after them and encourage local people to use them*

296 *We have beautiful beaches and they should be conserved. They also bring investment from holiday makers*

297 *We have such lovely beaches for families and friends to walk along*

298 *We have the best in the country so let's keep them*

299 *We rely heavily on tourism*

300 *We should all take pride in all areas of beauty spots and beaches.*

301 *Whets the alternative - no visitors?*

302 *Where better to spend time when free*

303 *Where necessary for improvement.*

304 *Whilst our blue flag beaches are superb in peak season some of the facades require updating.*

305 *With air travel now so expensive, I feel I more people will stay in UK*

306 *With more holidays at home we need to keep our beach facilities up to a high standard.*

307 *Yes as they need improvement but not over development*

308 *Yes because it is our only golden ticket*

309 *Yes But not by radically reversing their fundamental characteristics - established over 20th Century.*

310 *Yes it is an area we should be proud of*

311 *Yes it will keep the place looking nice*

312 *Yes to conserve and invest but not increase the range of facilities which may spoil the natural beauty.*

313 *You always need to be moving forward, never static*

## Comments from those who **do not agree** with the aims – 30 comments.

*Agree with conservation but not improve & invest through commercialisation. We have beautiful beaches just as they are.*

*Agree with updating what is already there but don't agree with over -commercialising and cluttering the beach*

*As a Poole resident I should get free parking*

*Because it will probably absorb council tax funds*

*Bins for rubbish not emptied.*

*Conserve - yes Improve - No I think beaches are unlikely to be 'improved' by actions of Poole Council*

*Conserve and maintain but it doesn't need the kind of improvements suggested*

*conserve: yes. improve: no. nothing needed but to maintain existing toilets etc.*

*Far more items to spend ratepayers money on*

*I agree in part - conservation is crucial - but the commercial emphasis of the council's plan is, frankly, appalling*

*I doubt it will be cost effective. Why spend the money if people come anyway?*

*I'm not sure. The leaflet only skims items*

*Investment is fine, but it should not drain scarce resource from other important more mundane areas (eg Arts, Transport)*

*It will lead to too much commercialisation and building leave the beaches as they are - just improve existing facilities*

*Leave them unspoilt by "attractions" but keep them clean, no dogs no jet skis on beaches. Money is needed elsewhere*

*Not entirely sure that it needs much changing too much change will spoil its natural beauty*

*Not sure what they wont to do*

*Not while you are charging someone on pension credit for the green bin collection - priorities please*

*Only agree with some*

*Seems to be too much building work.*

*This is a sound aim but the council cannot be trusted to do this well.*

*Too many signs being erected . Eyesore.*

*Too much commercial ventures take away the natural look*

*Too much formality*

*Uncomfortable about commercialisation i.e. hotels. There are sufficient hotels. Do not ruin the natural asset that attracts visitors.*

*Yes and no depends on costs and who pays for the investment*

## Do you want Poole's Beaches to have different areas for different activities?

Comments from those who answered **yes** – 285 comments.

### Comment

1  *A variety of choices can bring a variety of visitors - see answer about bringing in finance etc.*
2  *Activities for families separate from 'teenage' activities*
3  *Activities on the beach can affect those people who just want to peacefully use it.*
4  *Activities should be moved around ie beach polo wind fest*
5  *Activity areas give people the option of which part of beach to go to. Some people don't want to be active.*
6  *Aiming for specific functions will provide focus*
7  *All year round attractions would be good.*
8  *Allows a choice and areas to avoid if you want to relax*
9  *Although this is already being achieved across the week and across the day*
10  *areas for sports and playing games, quiet areas for people to chill out, and areas for dog walkers to enjoy the beach*

11  *Areas should have their own identities. People will know what area to go for different activities*
12  *As a dog owner I like to be able to take my dog to the beach all year around*
13  *As a dog walker I approve of dogs being banned from some beaches for some of the year, but they should not be banned completely.*
14  *As I have elderly infirm relatives to take it's better if I know where the areas of interesting activities are*
15  *As it will be better to central*
16  *As long as some are left natural*
17  *As long as they are not too regulated - eg all ball games in one area - not too defined*
18  *As per proposals*
19  *BBQs, games, relax*
20  *Beach volleyball - protect people not good of balance*
21  *Because by advertising visitors will get to know what beaches to go to also residents*
22  *because dogs should be keep to one spot*
23  *Because they can interfere and distract each other eg dogs, cyclists, children*
24  *Because you need to be able to lay peacefully in the sun without a ball landing on you.*
25  *Being disabled and unable to cope with many access places , dogs and energetic activity we need flat safe area and usable parking*
26  *better*
27  *Better control and quality*
28  *Better economic use of resources which can also get more revenue from some underused parts of the beach.*
29  *Bike Hire, Children's play spaces, water taxi from Poole Quay, sport facilities, showers at Shore Road, Benches on promenade*
30  *Boat launching - safety for swimmers*
31  *Boats and boards away from swimming areas*
32  *But 'Activities' may impose on other (family) users.*
33  *But must be contained so as not to spoil the beach for ordinary use*
34  *By creating different areas of interest will maintain interest*
35  *can avoid activities you do not wish to see or join in re polo, weddings, volley ball*
36  *Car parking very difficult for popular events to none interested*

37. *centres the activity so that people can play football/volleyball in a specific place rather than in among families*
38. *Children, teenagers, sport loving adults have different needs*
39. *Children need safe areas*
40. *Children's area*
41. *Choice.*
42. *Choose where to be and what to do.*
43. *Could attract users to quieter areas over a longer session.*
44. *Could be more economic*
45. *could offer more specialised help if centralised*
46. *Dependent on the activities offered, but flexibility needs to be maintained and all groups catered for.*
47. *Different activities attract different age groups*
48. *Different age groups and abilities have different needs*
49. *Different attractions attract different people*
50. *Different beaches attract different types ages of visitors*

51. *Different beaches lend themselves to different activities, what is good for the people of Poole.*
52. *Different character at each spot.*
53. *Different people and ages want different things to do*
54. *diversity, old and new don't necessarily mix*
55. *dog walking etc*
56. *Dogs must only allowed in clearly specified areas so that people who don't own dogs know the areas to avoid*
57. *Dogs should be closely controlled with effective monitoring (currently not the case)*
58. *Dogs should be kept away from most beaches*
59. *Dogs should be prohibited*
60. *Dogs. restriction of jet skis & they should be made to be used much further out to sea*
61. *don't like beach polo because of mess, noise and loss of atmosphere*
62. *Each beach area different areas to attract different groups*
63. *Each beach has a different identity.*
64. *Each beach has different characteristics to offer diverse activities to all visitors and their potential should be optimised.*
65. *enjoy the dog - specific areas*
66. *Evenly distribute facilities, nothing should dominate*
67. *Everyone can do then whatever they want without being a nuisance to anyone else.*
68. *Facilities need updating*
69. *family areas leave peaceful areas for others*
70. *Focus on supervised activities and introduce new activities*
71. *For public safety*
72. *for safety in summer to keep active and sedentary visitors separate*
73. *Give identify to pacific areas. Encourage use of lesser visited areas.*
74. *Gives a choice to locals who live in Poole*
75. *Gives chance for different users / interests to enjoy*
76. *Gives everybody the opportunity to enjoy different activities without intruding on others enjoyment.*
77. *Gives them an identity/ easier for visitors/creates variety and interest*
78. *Good area for dog walking*
79. *Good branding for out of towners*

80 *Good for all meetings and social events*

81 *Good to avoid dog poo. Fun to watch polo/volleyball*

82 *Historically different and unique and established and beautiful/restore and keep best and update rest that has been starved of cash by Council*

83 *I am very happy with the football pitch*

84 *I enjoy the quieter areas such as Canford Cliffs and Branksome in peak season, however also use the facilities at Sandbanks and Shore Road for the children off season. I think each segment as per the brochure should have a different attraction.*

85 *I feel there is a growing need to expand what we as a borough offer - to do that we may need to try some things that don't work - but some will and we can then expand on them for the benefit of all*

86 *I have a dog, I don't want to annoy those who prefer 'no dogs' but as a 'good owner' with a trained dog I resent the few locals who regularly complain*

87 *I think that some "quiet" areas should be preserved as "quiet" for those who simply enjoy the areas for that reason, such as walkers.*

88 *I think the ideas sound great*

89 *I think this would help all visitors and residents to get the best out of their visit.*

90 *I would be nice to have areas for different activities and maybe areas where people can go if they want to be away from kids.*

91 *If there is a need for various sports such as volley ball then areas should be reserved for these so people can get used to their presence and go elsewhere should they want a quieter time.*

92 *If this caters for the diverse requirements of visitors*

93 *If you stop dogs fouling the beach)*

94 *I'm too old for ceaseless bad music.*

95 *Improve the enjoyment factor for all ages.*

96 *In order that one persons activity does not interfere with others enjoyment*

97 *In the interest of safety*

98 *It give families friends with children to look forward to at each chine*

99 *It gives definition to an area and prevents all beach areas being dominated by activities*

100 *It is important to consider the different needs of age-groups, especially as Poole is considered by many outside the Borough to be a 'retirement haven' (though not exclusively!)*

101 *It is off-putting and intimidating to have groups of people playing ball games amongst family groups and sunbathers.*

102 *It is useful to eg have separate areas for swimming and boating. I think there are enough events already - more would spoil it.*

103 *It must not be over developed*

104 *It stops things interfering with other people, if you don't like whets there you go elsewhere*

105 *It will encourage more visitors and locals to use the beaches more often*

106 *It will identify clearly areas for private relaxation*

107 *It would appeal to more people*

108 *It would be better to have quiet areas, busy areas, children zones etc*

109 *It would be good to have a ball games area so there would also be a quieter area*

110 *it would be less disruptive*

111 *It would be lovely for children also nice for elderly.*

112 *It would encourage people to use different beaches instead of staying at the same one*

113 *It would make sense to identify particular areas that would lend themselves to particular activities*

| | |
|---|---|
| 114 | it's a good idea, so it suits the needs of all |
| 115 | It's dangerous to have kite surfing, fishing, or jet skis near swimmers |
| 116 | Jet skiers are noisy and dangerous and use should be limited to less popular areas. |
| 117 | Jet skis are a pain. Might encourage 'wild' swimming |
| 118 | Keep activities separate rather than overcrowd. |
| 119 | Keep dogs away from non-dog owners. |
| 120 | Keep the idiots on jet skis etc. far enough away so we don't need to see or hear them. |
| 121 | Keep volleyball etc in one area so not to disrupt people relaxing on the beach. All sporting in one area so people know where to go. |
| 122 | Keeping ball games in one area appears a good idea. Noise should therefore be kept to a minimum in other areas |
| 123 | Kids and families need activities, nature and nature lovers need theirs too. |
| 124 | Kite surfing and windsurfing access needs to be separate from beach users for safety. Boat access also would be good |
| 125 | kitesurfing is quite hazardous so best kept to limited areas; dogs best kept to certain areas so you can choose to be on a non-dog beach. |
| 126 | Less chance of being upset by others activities |
| 127 | Less interference to those who just want to relax. |
| 128 | Like the children's play areas, and the outside gymnasiums |
| 129 | Mainly for safety |
| 130 | makes it more interesting and easy to avoid less desirable land uses! |
| 131 | Makes sense |
| 132 | makes sense to free it up |
| 133 | Making it a safer beach for families. |
| 134 | more children's areas perhaps splash pools or similar |
| 135 | more dog free |
| 136 | More dog friendly zones, and no-smoking on most beaches |
| 137 | More for kiddies |
| 138 | more interest for everyone |
| 139 | More interest things to do. |
| 140 | More use for disabled people |
| | |
| 141 | Motorised Water Sports should be segregated from general beach recreational/swimming areas |
| 142 | Need to appeal to all ages, all year |
| 143 | Need to increase focus |
| 144 | Needs of families, sports people and elderly are different |
| 145 | Needs safe areas for children |
| 146 | No dogs |
| 147 | Noisy activities would spoil the experience for someone who just wants to relax, dogs would annoy someone who is wanting to picnic in peace. |
| 148 | Not all users want the same thing - to create choice and options |
| 149 | Not everyone likes the same things so try to create something to benefit most relaxing and activity |
| 150 | Not everyone wants others doing activities next to them. It may even spread the number of people in the summer. |
| 151 | Nothing worse than having people playing volleyball whilst laying down on the beach |
| 152 | Older people and children want quieter spots |
| 153 | only for safety |

| | |
|---|---|
| 154 | Only for sport in a small area. We want to be able to enjoy all our beaches with the young children. |
| 155 | Otherwise can be confused and noisy |
| 156 | Overall it makes it easier to choose the type of beach day wanted. |
| 157 | Overlapping can lead to conflicts |
| 158 | People can choose which area is best for their requirements. |
| 159 | People have different needs dependent on lifestyle age and family commitments |
| 160 | people would then be aware of specific areas i.e. dog walkers etc |
| 161 | Play areas for the young, no dogs for those who dislike having to put up with the mess |
| 162 | Please everybody. |
| 163 | Please retain dog walking facilities - much aligned sector! |
| 164 | possibly but not sure |
| 165 | Powered craft should not be allowed onto beaches |
| 166 | present situation acceptable |
| 167 | Preserves standards already reached |
| 168 | progress - change |
| 169 | Protected swimming areas for safety |
| 170 | Providing areas for specific activities is more effective |
| 171 | Providing that access is available for everyone. |
| 172 | Quiet family area and sport areas |
| 173 | Safer for children etc. |
| 174 | Safety - enjoyment for everyone |
| 175 | Safety and quality of experience of beach |
| 176 | Safety for children rather more physical activities |
| 177 | Safety reasons |
| 178 | Safety reasons for some activities, greater possibility of peace and quiet for others, making equipment available eg for football or volleyball |
| 179 | Sailing where people are swimming |
| 180 | Sandbanks and Shore Road are more for tourist and sports. It's good to keep some beaches for quieter family spaces. |
| 181 | Segregate all sports activities especially cycling |
| 182 | Segregate ball playing and have safe areas for children |
| 183 | Segregate the tourists! (+dogs) |
| 184 | Separate dog walking beach good, areas for volleyball & football also good. |
| 185 | Separate adult activities from families |
| 186 | Shore Road attracts a younger crowd and requires different facilities to say Canford Cliffs which attracts families prob. best not to pigeon hole it too much. |
| 187 | Smokers to be separated. Also young children |
| 188 | So a wide range of groups can visit a quality attraction. |
| 189 | So everyone can enjoy all kinds of activities on the beach without annoying other people |
| 190 | So everyone can enjoy their own 'thing' |
| 191 | So everyone can enjoy their own thing without impingement |
| 192 | So people can have a choice |
| 193 | So some parts kept quiet and 'unspoilt' |
| 194 | So that activities of certain group do not influence others |
| 195 | So that people aren't put off from going if a certain activity that they didn't like was taking place across the whole beach. |
| 196 | So that people can enjoy the beach without being disturbed by an activity they don't want to be involved in. |

197 *So that the elderly don't get upset by dogs*

198 *So that they do not conflict with one another*

199 *So there is an area for everyone to enjoy without being annoying to other users.*

200 *So those that want peace and rest can get it and those who want activities can have them.*

201 *So we have livelier areas and quieter beaches and family beach.*

202 *so you can choose quiet areas if you prefer*

203 *So you can find a quiet area*

204 *So you can go to different beaches*

205 *So you can go to the area you most want to be in with the activities. e.g. kids area*

206 *So you don't get in the way of games of pace for BBQs etc*

207 *So you know what is there and exactly where*

208 *so you know what to expect when going to that beach*

209 *Some activities are not good for swimmers e.g. surfing, jet skies, boats, canoes*

210 *Some activities conflict*

211 *Some activities could be dangerous*

212 *Some activities interfere with others enjoyment of just sitting on the beach. Beach polo is a nuisance to all but those involved. Beach volleyball, for instance, is not.*

213 *Some activities just don't mix, beach soccer and sunbathing for example.*

214 *Some areas could be more child friendly.*

215 *some areas should be kept free from noisy activities*

216 *Some beaches should be kept for families especially Branksome Chine.*

217 *some beaches should be left in a more natural state than others*

218 *Some choose to sit and relax others prefer active activities*

219 *Some dog free areas in the winter.  Dogs and young children don't mix.*

220 *Some for sport perhaps or other activities?*

221 *Some natural areas should be conserved*

222 *Some people just want quiet time and enjoy looking at the view without interruption.*

223 *Some people like to see activity, whereas others like just to relax*

224 *Some people want peace and quiet. Some want activity*

225 *Some physical activities may cause annoyance to older users.*

226 *Something for all ages and abilities with plenty of seating to admire the views*

227 *Something for everyone, and no-one should get annoyed.*

228 *Sometimes you need activities as children get bored.*

229 *Space 'attractions' to provide an 'adventure trail'*

230 *Specific areas for ball games/ areas for dog walking/ family areas to cater successfully for more people*

231 *Sporting activities interfere with people just wanting to relax and enjoy the environment with their families and friends. Dogs are a pest.*

232 *Spread out - across the different areas so all beaches have use-*

233 *Stops people being disturbed by balls and dogs*

234 *Surely you will have a clumsy mix of attractions if you don't*

235 *The length of the promenade could be utilized for different activities*

236 *Then if you want piece and quite you're not being run down by sports.*

237 *Then you don't get disturbed by other activities*

238 *There is enough room for all forms of recreation along the beaches*

239 *There is plenty of room to accommodate different tastes*

240 *There is then something for everyone.*

241 *There should be the opportunity for people to enjoy different activities without disturbing or being disturbed by others*

242 *This way it can cater for all tastes more effectively*

243 *this will enable all of the beach areas to be used and not be overcrowded in one area*

244 *This will help to spread the number of people rather than congregate at the access points for parking and cafes etc*

245 *This would allow age groups not to upset one another i.e. teenagers high jinx next to OAPs*

246 *This would allow selection for activities and leisure by all ages.*

247 *This would enable visitors to indulge in individual experiences be it watching sport or just relaxing in a quiet area*

248 *This would reduce the conflicts that arise due to overcrowding.*

249 *Those that want a quiet time on the beach need not be disturbed by those that want entertainment.*

250 *Those who want the peace and quiet can have it and those who want sports or whatever can also have that.*

251 *To accommodate different tastes/ requirements*

252 *To align resources with needs, eg. shower for sports.*

253 *To avoid aggravation by conflicting interests*

254 *To avoid conflict ie. keep kite/board sailors off the main beach*

255 *To cater for different leisure interests and activities*

256 *To enable*

257 *To enable everyone to enjoy them - bathers, windsurfers, etc*

258 *To ensure activities are correctly located*

259 *to give as much better activities for younger people*

260 *To give people of all demographics somewhere to enjoy*

261 *To help prevent accidents between the different users - eg kite surfers and swimmers*

262 *To help prevent overcrowding in one area.*

263 *To isolate different beach user types and reduce  likelihood of conflict*

264 *To keep active and quiet area so everyone can enjoy them*

265 *To keep any sporting activities separate from quieter areas*

266 *To keep young children away from teens and early twenties*

267 *To maintain different options for different groups*

268 *To provide more fully for visitors different interests*

269 *to respond to numerous requirements of different needs, To demonstrate competition with BMTH and other areas such as Swanage*

270 *To separate sun bathers from the beach sports people*

271 *To suit all personal needs*

272 *To suit and enhance existing activities - barbeque areas need improving. volleyball and others*

273 *Traditional seaside attractions e.g. donkeys could prove a strong visitor attraction.*

274 *Unique idea as long as it doesn't affect general use*

275 *Volley ball area great. If we do not like it we go elsewhere for peace and quiet. Young people like to be active.*

276 *Volleyball. Dogs. There should be something for all.*

277 *We all need something different*

278 *We are all different*

279 *When set up for an activity it can stay set up.*

280 *Would be good for surfing and kite surfing to have a specific area. Very important to keep beach area for naturists.*

281 *Would let parents know where it safe to let children play without getting hurt by frisbee's and balls*

| | | |
|---|---|---|
| 282 | *Yes and no for certain activities then yes But could cause problems for activities competing for the best space available* | |
| 283 | *yes as long as they are still available for all beach visitors* | |
| 284 | *Yes for dog walkers, but the depending how much beach and where would determine whether I agree or not.* | |
| 285 | *Yes, for parking reasons. Dog owners, quiet areas, children's areas etc* | |

## Do you want Poole's Beaches to have different areas for different activities?

|---|---|
| 1 | *A beach is a beach, let's keep it that way. Simple and financially sound.* |
| 2 | *A beach should be able to be used by anyone for any activity that does not disrupt others' use.* |
| 3 | *Accessibility for all.* |
| 4 | *Activities are best suited where the sand areas are the largest and car parking is at the greatest capacity.* |
| 5 | *Activities should be in one area so that those not wishing to take part can enjoy the beach away from the noise of the activity* |
| 6 | *All areas of the beach should be available for use by everyone - especially council tax payers.* |
| 7 | *All areas should be accessible to everyone.* |
| 8 | *All areas should be available for all residents* |
| 9 | *All of Poole's beaches should be available and accessible to everyone to enjoy.* |
| 10 | *All our beaches should be for the benefits of all people* |
| 11 | *As long as people are mindful of others, they should be able to enjoy the beaches as they want to.* |
| 12 | *Beach sports only needs different area* |
| 13 | *Beaches are a family area and should be for all* |
| 14 | *beaches are for all tastes and interests* |
| 15 | *Beaches are for 'being on a beach'* |
| 16 | *Beaches are for everyone to enjoy.* |
| 17 | *Beaches have different identities but equally they belong and should be available to everyone.* |
| 18 | *Beaches should be kept for relaxing and swimming and open to all* |
| 19 | *Beaches should be used by and accessible to all.* |
| 20 | *Because I would like to be able to use whichever bit of the beach I want* |
| 21 | *Because it shouldn't be sectionalised keep them together* |
| 22 | *Becomes too prescriptive, like things to be more easy going.* |
| 23 | *Better to have a mixture of ages and interests to improve generational interactivity - prevents monopoly of any one group* |
| 24 | *Breaking up seafront into activity zones might hugely dilute the palpable unity of its pleasurable simplicity.* |
| 25 | *Concentration of activity could spoil areas and downgrade others.* |
| 26 | *Conservation and management of these developments will be an issue - some can look scruffy* |
| 27 | *Different activities could mean exclusions* |
| 28 | *Diversity is good - although 'dog free' areas are good* |
| 29 | *Don't segregate communities* |
| 30 | *Don't wish for segregation. The beach is for everybody at anytime* |
| 31 | *Each area is different so you do well to continue what you do* |
| 32 | *Families all enjoy different activities but are usually together on a beach.* |
| 33 | *Free access to all at all times* |
| 34 | *Happy with it at present* |

35 *I believe it is better to have a flexible approach.*

36 *I feel that it will spoil the beaches if made too commercial*

37 *I feel that the beach is a place where families can relax and enjoy a healthy swim*

38 *I just want the beaches to be beaches*

39 *I like it as it is*

40 *I like them how they are*

41 *I like where I go as it is*

42 *I see no reason for it - the beaches have always been there and people have used them as they want. There are enough rules and regulations around so I think that the beaches should be free for all to use as they want.*

43 *I think a beach should be able to accommodate everyone, whatever they wish to do. People should be free to wander as they wish without worrying about coming off the beach to walk round special areas. Part of the attraction is the sheer length of the beach*

44 *I think beaches are for sunbathing and children's leisure.*

45 *I think it is good that everyone mixes in*

46 *I think it is interesting to see I get in different activities without having to travel across town to a particular beach. There is plenty of space*

47 *I think it would cause problems and conflict with the idea of a casual day on the beach*

48 *I think people should feel comfortable visiting any area of beach.*

49 *I think they are doing well under the present mode of operation.*

50 *I want an open continuous beach, for all to enjoy*

51 *I want the beach to stay a beach not a "multi-activity" area*

52 *I would find the activities allocated not required by me*

53 *If it is in different areas most visitors see it.*

54 *If you are lucky enough to get a beach hut then you want the opportunity to enjoy everything*

55 *It depends how the 'areas' are designated for activities. More control over speeding cyclists and dog owners please*

56 *It is fine as it is.*

57 *It is nice not to be governed by constant rules*

58 *It often is a disturbance*

59 *It's a beach!! People visit the beach to walk, swim, sun-bathe and picnic, not to use zip -wires, the gym, or tree -top studios*

60 *It's been the same for years. No point in spending money for the sake of change.*

61 *It's too divisive, contractual & more likely to lead to confrontational situations between activity groups*

62 *Keep it as it is doesn't need to get any busier.*

63 *Keep it natural. Dont concrete over .*

64 *Leave well alone*

65 *Makes areas inappropriate for many users or unattractive*

66 *Mixed activities preferable assuming normal safety constraints are applied i.e. build access lanes where needed for boats.*

67 *Much nicer to keep the beaches clear*

68 *No = Blue flag's so why change too much!*

69 *No because people will only go to particular areas for one reason*

70 *No need for numerous activities except temporary during months May to Sept.*

71 *No why?*

| 72 | Not particularly see above comment |
|---|---|
| 73 | not really - I think age groups will stay in particular areas |
| 74 | Not really, I understand the dog antipathy by some, but would rather penalise poor owners |
| 75 | once you start breaking up the beaches into sections for different activities people will be put off going as they may have to find different parking etc., I think the beaches do very well as they are |
| 76 | People need to share things - this includes the beach (apart from kite surfers, as danger with ropes etc) |
| 77 | People using the beaches need to be aware that their behaviour affects and impinges on others, and should moderate their behaviours accordingly. |
| 78 | polo at Sandbanks yes - for the well off |
| 79 | Position is good as it stands - swimming marked areas good. |
| 80 | Prefer free choices - suitable for all the family / tourists |
| 81 | Present system works well. |
| 82 | remain as they are please, it works! |
| 83 | Residents should be largely free to use the facilities as they are |
| 84 | Same 'rights' for all. |
| 85 | See above - though children's "safe" swimming play areas very desirable |
| 86 | See answer above, there are already too many signs etc spoiling the natural beauty |
| 87 | Should be for all to enjoy |
| 88 | Should be shared by all legal uses |
| 89 | So long as it's safe then no problems |
| 90 | Sometimes a natural beauty should remain uncluttered. |
| 91 | Sounds like a good idea but do not wish to restrict access. |
| 92 | Space for ball games separate so people don't get hit.  Space for dogs to go free and swim with their owners.  BBQ areas. |
| 93 | Such areas should not interfere with "normal" primary uses - namely relaxing, sunbathing and swimming. |
| 94 | The beach is a natural environment no need to complicate it |
| 95 | The beach is attractive and people manage to use it for all sorts of activities anyway |
| 96 | The beaches are perfect as they are - please don't mess about with them |
| 97 | The beauty of such an expanse of open space is that people can be creative and use it as they wish. |
| 98 | The continuous stretch of coastline/beach should not be restricted, but open to all. |
| 99 | There is already segregation of the dog-permitted areas and that's too much. |
| 100 | There would be too much segregation if areas were defined |
| 101 | They are fine as they are. |
| 102 | To costly |
| 103 | Too difficult to enforce |
| 104 | Too segregating. ( Apart from the dog friendly bit which we use) |
| 105 | Use the beach as a beach |
| 106 | We don't want ghettoes we want a unified public experience. |
| 107 | We inherited these beautiful beaches from our forefathers. The beaches should all remain open to everyone to enjoy naturally. |
| 108 | We should have freedom to do what we wish without the council deciding things. |
| 109 | Will limit where many people wish to sit |
| 110 | With exception of jet skis - these should be restricted to unpopulated areas. |

What do you like about the ideas – 181 comments

Many people listed the ideas from the leaflet, which have been coded to categories and listed. These comments explain more about why they like the ideas.

1    *A sky cafe projecting beyond the cliff edge giving panoramic views of the bay providing prices are not exorbitant!*

2    *A water taxi from Poole Quay would help with congestion in peak season. More beach huts for short term lets would be useful for visitors and locals*

3    *About time Poole utilised its resources at the beach all ideas are reasonable. Please do not increase amusement arcades.*

4    *Accessibility, it's difficult to get to the beaches in the busy season.*

5    *agree there should be more to do on bad weather days also more toilet and shower facilities and more beach huts should be provided with priority given to local people first as they are the ones paying council tax*

6    *All have merit which are affordable which are likely to attract most people.*

7    *All ideas are in theory good but when we British start these ideas off they are reasonable but usually become about control and money making. There needs to be MUCH more choice of restaurants on the beach and a much more competitive attitude, keep people*

8    *All of them. It's time to rejuvenate Poole's 'Jewel in the Crown'.*

9    *Any that do not involve a significant increase in expenditure.*

10   *Anything that encourages a more active lifestyle.*

11   *Anything that generate income good idea as long as it's used to keep beaches in good condition.*

12   *Area - arranged on specific times and days then are areas which can be avoided*

13   *back to a natural look - like sandbanks used to be*

14   *Beach access - especially for the disabled/elderly.*

15   *Better areas to sit, Beaches to retain their traditional seaside appeal, not to be made too commercialised.*

16   *Better transport connections - including by boat and more car parking*

17   *Building being made to fit in with their surroundings.*

18   *Conservation of unspoilt natural environment (unlike some resorts abroad).*

19   *Conserve the beautiful natural environment*

20   *Conserving and improving has to be the way to go in order to encourage tourists but this has to be done in a tasteful way.*

21   *Conserving as its important to preserve whets already there*

22   *Conserving natural environment upgrading infrastructure*

23   *Conserving the beautiful natural environment.*

24   *conserving the natural and beautiful environment whist providing modern and inviting facilities for all*

25   *Could be scope for a - landmark building, perhaps a gallery/art museum with a cafe and activity hire underneath. Water taxi - better transport options probably needed.*

26   *Cycle hire and buses from Creekmoor and Civic Centre car parks with proper cycle lanes not just a line on the road that are missing on Evening Hill. Fine cars that park on cycle lanes*

27   *desperately need shower facilities at Branksome Chine on the prom, more benches/seating, more beach huts (multi-level) on leases for less than a lifetime or two!*

28   *Develop proposals for future land use*

29   *developing the different activities of the beaches. Better designs for benches and tables, improving toilets, showers. Replacing the ugly concrete building*

30   *Dog walking in different areas.*

31 *Don't make changes just for the sake of it*

32 *Don't waste money, be selective*

33 *Enhancing existing natural areas. Family oriented activities.*

34 *Facilitating access for old/young visitors through a land-train service from remote and large car park*

35 *Games on the beach is good for young people if they are organised well.*

36 *good idea to tidy up with better facilities*

37 *Great idea for watersports at Branksome dean chine-also accommodation +/or restaurant etc sand dune area at sandbanks end also sounds good with hotel/link to town centre it's good to allocate some new & exciting activities*

38 *Having bars/cafe on the beach like a holiday abroad and more seating/planters*

39 *I am especially taken with the facilities on the sand idea, but better more attractive seating areas and more uniform beach huts would be great, so long as they are tastefully done ... the seating area pictured is particularly hideous.*

40 *I am not a water sports person but think the ideas to improve watersports are good at BD Chine and B Chine.*

41 *I like all ideas that will help Poole become a lovely place to work and visit*

42 *I like the idea of additional toilets and the range of facilities - more shops would be welcome as well as bigger cafes. A pub world also be welcome as long as its visitors could be sensible. Keeping dogs off the beach during the summer months should definitely continue.*

43 *I like the idea of having a dedicated sports area. Also the idea of having another family pub / hotel, perhaps at Branksome Dene is good. Bringing more toilets down to beach level is very welcome, together with updating the seating. Loved the thought of 'on the beach' seating, just hope that the charges aren't too much. As for cabins in the clifftops - fantastic!*

44 *I like the idea of improved, signage, facilities and also possibly more cafe's or restaurants with longer opening hours and improving old, out of date public areas*

45 *I like the ideas of all the chines having their own different activity there is some think in each chine for all age groups and families*

46 *I like zip wire idea. Alternative accommodation eg Boathouses, pods, overnight huts.*

47 *I really like all of the ideas, weddings, play parks and parking*

48 *I think all the ideas are good and should be implemented together*

49 *I think it is always a good idea to improve toilet facilities. They are used a lot and give an immediate impression of how the area is maintained to visitors. Clean, well stocked facilities are hygienic and support a caring image. It would*

50 *I think some overnight accommodation is a good idea; I also like the idea of the water taxi from Poole Quay as that may well encourage more tourists to the beach. More benches on the promenade is also a good idea. And I think any eating places would probably enhance the experience all along the promenade. I think more could be made of the entrance to Shore Road beachside. More toilets everywhere would definitely be welcome, especially as currently some aren't open in the winter!*

51 *I would like if people could tidy up after themselves instead of leaving rubbish behind*

52 *Idea of shellfish booths along the Harbourside of Shore Road, maybe even selling fresh fish too to take home etc. Conservation v.important - to preserve the existing beauty - not destroy it.*

53 *Identifying areas of ageing infrastructure BUT being clear that there areas are still suitable for use today.*

54 *Improve the facilities as this will encourage visitors and also attract support from local residents. Improvement will take into consideration the needs of the invironment and will necessitate upgrading vital infrastructure*

55 *Improve the facilities to encourage visitors all the year round*

56 *Improve the range of facilities to encourage visitors all year round*

57 *Improve the services and facilities we provide for residents and visitors Manage the beaches more efficiently Lighting on the promenade*

58   *Improve toilets, that's a basic. Build more huts!*

59   *Improved infrastructure - seating, good clean accessible toilets, bins are a must.*

60   *Improved linkage of the Chine and beach at Branksome and improvements to final part of Chine, similarly investments to Canford Cliffs Chine Children's playspace @ Shore Road*

61   *Improved public transport links to beaches - these are really needed   Harbourside fish food huts would be a lovely idea at Shore road*

62   *Improved toilet facilities, maybe a Weatherspoon type of pub where the young and elderly can be served with reasonably priced drinks and food all year around.*

63   *Improved transport links. For many years there has been no effort to integrate arrival/departure times with Sandbanks ferry*

64   *Improved transport links. Upgrading of some 'tired' areas, which is implied by several of the suggestions.*

65   *Improvement of facilities, water taxi more places to eat - like the Spanish play areas on beach weddings*

66   *Improvement of infrastructure which is vital. Encouragement of good cafe and restaurant facilities.*

67   *Improving facilities (eg. toilets, food provisions) innovative designs to provide distinct character to each area whilst maintaining natural environment adding to attractions improve connections*

68   *Improving the range of facilities, conservation to continue. General modernisation. Facilities to enhance evening access.*

69   *Improving toilets places to buy food and drink (but at reasonable prices please) footpath lighting showers and changing facilities good use of classical pavilion*

70   *Improving transport access to Branksome Chine  Providing more year round activities on the beaches and surrounding areas  Renovating the existing facilities as they are tired and run down*

71   *Increase activities but in keeping with the water sports.*

72   *Increase availability and number of beach huts. Improvement in bus services to beach areas. To make cafes etc more inviting and attractive. Improve offers of food etc.*

73   *investing in the ageing infrastructure. Much as I like nostalgia, the buildings at Canford Cliffs have not changed in my lifetime. It would be good to attract more families to underused areas with coffee bars rather than just the ice cream kiosk. Make a feature of the footpath lighting through the trees in some of the darker chines to encourage people to use the beach areas more in the evenings. Cheap park and ride would improve access to the beach.*

74   *Jogging, cycle, wind surfing pub or bistro funland more music, more car parks, beach bars*

75   *Keeping all beaches as natural as possible banning dogs running loose on beaches Also clear up mess!*

76   *Keeping clean and open*

77   *Keeping good standards. First impressions last a long time and not forgotten.*

78   *Keeping the dune landscape. Showers at Shore Road Public Art at Canford Cliffs and a new ice cream and coffee shop*

79   *Keeping the infra structure up to date, with toilets etc.*

80   *Keeping the natural beauty of the beaches, at the same time with the transitions, don't want all beaches looking the same.*

81   *Key strategy is maintaining the natural environment - other developments, facilities etc will be unnecessary.*

82   *Landmark arrival space at Shore Rd More places to get a 'bike'*

83   *Landmark building, public art, sand dune landscape, high wire fun*

84   *Lighting along the Sandbanks Promenade would be really nice for those late summer evening walks.*

85   *Like all the ideas, as long as you keep your  word and do these things.*

86   *Like it as it is but improve toilet facilities.*

|---|---|
| 87 | Longer cafe hours |
| 88 | longer opening of cafe--landscaping of seating areas and unattractive buildings--changing and showers at shore road. |
| 89 | Looking in keeping ie not out of place variety of beach huts. Huts with accommodation water taxi |
| 90 | Love all the ideas of improving the facilities and increasing parking as it usually puts us off in summer. They are tired and old, it'd be lovely to have newer stuff and more places to get food and toilets, it's a long way to walk with small children |
| 91 | Love the idea of a treetop trail - would be very popular & weddings!! |
| 92 | Maintain/ improve on a continuing basis the really good activity centre at Sandbanks |
| 93 | Make sure public toilets are in good shape and remain clean. Make more of classical pavilion |
| 94 | Make the most of what you have invest in good quality long term improvements |
| 95 | Make use of Pavilion at Sandbanks, public art work |
| 96 | Make use of under used facilities and spaces. |
| 97 | Making best use of existing assets and improving public areas. Maintain natural environment - natural architecture |
| 98 | Making best use of existing assets and maintain natural environment. |
| 99 | Making good use of existing facilities especially the natural environment |
| 100 | Making more of the classical pavilion at Sandbanks a wedding and community venue at Branksome Dene Chine |
| 101 | Making more use of Sandbanks Pavilion. |
| 102 | Managing the beaches more effectively |
| 103 | Modernisation of old buildings, eg toilets. Improved accessibility for traffic |
| 104 | Modernise existing facilities. |
| 105 | More activities for younger people. A wedding and community centre off season events in the car park. The area not allowed to get tatty |
| 106 | More activities, better seating. |
| 107 | More beach cafes, shops, pubs and places where you can buy sandwiches, papers etc |
| 108 | More cafes - particularly if they are stylish/attractive. |
| 109 | more cafes/ bars on the beach front - the Durely Chine is terrible and needs serious competition to shake it up. beach gym at shore road  better lighting |
| 110 | More light refreshment places would be welcome. Changing huts and showers would be nice. |
| 111 | More outside seating. Cafes on the actual beach / sand. Make it prettier - green spaces, plants, flowers, pathways |
| 112 | More picnic tables in stone dotted around. Most of what is suggested is good for the Beach areas |
| 113 | More places to get a sandwich, drink or ice cream |
| 114 | More promenade benches.  Footpath Lighting.  Sky Cafe. |
| 115 | More pubs/cafes - open later. face lift for older buildings, better seating. |
| 116 | More sports areas |
| 117 | More sports facilities activities, improved transport links more shops and cafes |
| 118 | More toilets more public seats better public transport links |
| 119 | New seating, new facilities and activities. New facilities to be in keeping with surrounding. High wire fun in treetops. Toilets  at prom level |
| 120 | No 1 priority is to keep maximum sand in place. The enemies are wave action and wind. Build more big rock breakwaters. The use of natural stone is very attractive-please no concrete. These are essential to slow down beach erosion |
| 121 | None in particular maybe volley ball (I am a relaxer) |
| 122 | Others advize req - for cold water spray wash down, wet suits. |

123 *Overnight accommodation, extra ice cream etc kiosks, zip wire, public art, more commercial activity, sports etc facilities, bike hire, improved transport links*

124 *Overnight studies - as long as they are low key and blend in and the developers are not allowed to cram as many in as they can.*

125 *Park & Ride scheme for the summer; conservation of ecological features; water taxi from Poole Quay; zip wires and tree top trails; improved shower and changing facilities; footpath lighting in chines*

126 *perhaps some more food outlets, and cafe/bars on the beach itself. Maintenance of loos etc v necessary.  More benches on promenade would be good*

127 *Place for children, place for some quiet rest reading, relaxing probably access to internet for short time. Place where people can dance listen to music.*

128 *Power to the whole prom: this offers a wealth of possibilities not the least of which is evening use and power for events.*

129 *Provision of overnight accommodation - should be self -financing or even make money to offset other costs to council tax payers*

130 *pub more places to eat and drink but please leave terraces available for people to eat outside with dogs*

131 *Reinstatement of classic/ iconic/ historical buildings/features/natural features and nature trails, changing and showers via tokens and RNLI/PCSO/999 services and extra parking/travel/ferry and pier travel*

132 *Renovation of the toilet facilities.  Improvements in public transport access including using a water taxi.*

133 *Revamp all toilets and changing facilities*

134 *Sand dune landscape at Sandbanks  Making more of the classical pavilion at Sandbanks  Footpath lighting at Canford Cliffs Chine  A new public space linking the Chine with the beach at Branksome Chine  Wedding and Community Venue at*

135 *Sand dune landscape, free to use activities, toilets at beach level at Branksome Dene, Small cafes/places to get snacks at all beaches*

136 *Sand dune landscape, making more of the classical pavilion at Sandbanks, more places to eat and drink*

137 *Sand dune landscape, shellfish huts pub? sky cafe.*

138 *Sand Dune landscape, Water taxi, beaches*

139 *Sand dune landscape/ more use of classical pavilion/ water taxi from Poole Quay at Sandbanks. More focus on water sports at Branksome Chine*

140 *Sand dune landscape; Showers and changing facilities; bike hire; footpath lighting*

141 *Sand dunes, zip wire, overnight studios, water taxi, pub, gym, rental boat houses, new style seating*

142 *Sandbanks - shops and cafes commercial activity, Shore Rd - gym, showers/ changing, Canford Cliffs - public art, footpath lights beachside cafe/bar Branksome Chine - hostel, offseason events, sky cafe*

143 *Sandbanks - Use Sandbanks Pavilion, Sand dune landscape, Water Taxi, Small shops and cafes, Landmark building  Shore Rd - Shell Fish Huts  Canford Cliffs Chine - Beachside Cafe Bar  Branksome Chine - New public space, Sky Cafe, Cafe Bar_*

144 *Sandbanks - water taxis from Poole Quay. Shore Road - more places to get drinks, sandwiches etc. Canford Cliffs Chine - zip wire to the beach*

145 *Sandbanks ~ Water Taxi, small shops & cafes, "Quality" paid for and free activities Canford Cliffs ~ lighting, parking, ice cream & coffee shop & improve sports*

146 *Separate zones and family activities*

147 *Set areas for activities*

148 *shops & cafes, more seating along the promenade. Sky cafe sounds good*

149 *Shops with food. Space for kids (kids area)*

150  *Shore Rd - shell fish huts/ more eating areas/ Beachside gym Sandbanks - water taxi Brank. Dene - toilets at promenade level*

151  *Shore Rd, Canford Cliffs Chine Bike Hire, Public Art. Branksome Chine public space linking chines to beach , sky cafe High quality cafes and toilets please. Dog watering fountains please. Taps are often turned off.*

152  *Shore Rod harbourside idea of better facilities for board users in harbour/high wire fun through trees / better toilets and showers*

153  *Shower/ changing at Shore Rd. Water taxi Sandbanks zipwire at Canford Overnight accommodation at Sandbanks Bike hire at Shore Rd More land sports facilities at Canford*

154  *Sky cafe projecting, make more use of the pavilion shell fish huts, improve transport links, children's play space toilets @promenade level*

155  *Smaller but more numerous cafes. Water taxi from quay if suitable for disabled.*

156  *Smart boardwalks in appropriate places*

157  *Smarten up the public spaces*

158  *Some buildings need a lick of paint.*

159  *Styling of public huts, seats, walkways, kiosks, cafes, planters - should have continuity, quality and suitability for purpose ie. thought through as a whole by one team.*

160  *Sustainable building materials. Coastal architecture. Wedding venue. Better bike facilities and changing areas for putting your wetsuit on. Beachside gym like Poole Park. Zip wire. More toilets. Showers.*

161  *tall building and different beach hut styles.*

162  *Tall buildings - with suitable parking are a great land use - create a high impact distant statement - focal point - very good for our community if planned correctly. Pubs? can be good and bad - overnight stays good.*

163  *the construction of beach defences*

164  *The document has several good ideas in each of the sections need to be listed so can discriminate.*

165  *The football pitch - you should have a 5 a side competition for all the football teams in Poole*

166  *The idea for increased sport on the beaches (Volleyball, Beach Soccer etc.)  These will attract - perhaps - a different kind of person to the beaches that may not have come before, those that would already use them would still continue to come thus increase usage*

167  *The statistic 95% are satisfied with beaches - so why spend cash? if it aint broke don't fix it*

168  *The water taxi from Poole Quay is a fantastic idea.  Bike hire is another great idea. Actually, most of the ideas are good.*

169  *to create better architecture and street furniture particularly to use local and sustainable materials - the 'tree house' in your document was very nice  - great architecture is a visitor attraction in its own right and worth the investment long term*

170  *Uniform beach huts but keep wooden picturesque huts*

171  *Updating tired facilities and make 'nice' seating areas zip wire would be fun for youngsters? supervision! Water tax from /to Quay. More places to get reasonably priced food Beach side cafe improved toilets and showers/ changing facilities Hostel / walk*

172  *Using the beach for facilities - as long as it's not overdone stylish seating. All architecture to reflect coast location.*

173  *Visitor accommodation providing they respect the environment and are responsible.*

174  *Water Taxi but lead to all beaches from the Quay*

175  *Water taxi from Poole Quay to Sandbanks - fantastic if price right, bike hire at Sandbanks*

176  *Water taxi is  a great idea - the main problem with visiting the beach in the summer is car parking*

177  *Water taxi's would be a good place to start as if subsidized could easily provide a viable, cheap alternative to moving people without increasing the cost of the road infrastructure.*

178  *Water taxis. Why not a water bus Poole - Bournemouth? We make no use of sea for transport for local people. On Lake Garda ferry every 15 minutes- why can't we do that?*

179  *We use Hamworthy pier (road dreadful) Hamworthy Park, Sandbanks and Ferry Car parks and pray not boxed in or out of car by huge vans very close on both or one side. Also use Quay and Boscombe always off peak.*

180  *Wedding venues would certainly help to raise money for Poole*

181  *You are trying too hard*

# What don't you like about the initial ideas? – 203 comments

|---|---|---|
| 1 | *Tourist accommodation near the beach, would not like restricted access due to private land ownership.* | *accommodation* |
| 2 | *Accommodation and all ideas that remove green/ open space or disfigure it, construction on cliffs or the beach itself* | *accommodation* |
| 3 | *Accommodation Bmouth Poole have plenty!!* | *accommodation* |
| 4 | *Accommodation near the beach - could restrict access/make it more exclusive to people staying in the accommodation.* | *accommodation* |
| 5 | *Accommodation (Business being taken away from local hotels)* | *accommodation* |
| 6 | *Not sure a watersports centre at Branksome Dene Chine would work* | *accommodation* |
| 7 | *Anything that involves adding too much cost to a family day at the beach. Its nice to see things for the kids to do but when attractions are in your face as you arrive at the beach, pester power can take over making it stressful for the parents..* | *activities* |
| 8 | *Activities on beach. Commercial bike hire could be a danger* | *Activities on beach* |
| 9 | *I do not believe that the beach itself should be used for facilities* | *activities on beach* |
| 10 | *All the Shore Road proposals particularly overnight accommodation, children's playspaces, beachside gym The overnight studio's at Canford Cliffs, public art, more parking* | *All Shore road proposals* |
| 11 | *Concrete jungle/ seating and the vision is trying too hard to be all things it fails* | *amenities* |
| 12 | *In your picture 'uninviting areas to sit', the view is the inviting part not looking at the wall behind.* | *amenities* |
| 13 | *No concrete seating on the sand* | *amenities* |
| 14 | *Amusement arcades are horrible - look at Bournemouth!! Too much take-away food causes mess and rats.* | *amusement arcades* |
| 15 | *Amusement machines 'funland' down market cheap entertainment keep a balance of mid to top end - we need tourists with disposable income in the area not those wanting something for nothing.* | *amusement arcades* |
| 16 | *No casino/ arcade facilities* | *amusement arcades* |
| 17 | *PLEASE, PLEASE NO AMUSEMENT ARCADES!* | *amusement arcades* |
| 18 | *Slot machine building is not good for Sandbanks all these commercial type ventures are not good family entertainment and should not be considered no matter what money the council can earn as they will earn more with thinking of people* | *amusement arcades* |
| 19 | *Take away all amusement arcades & slot machines.* | *amusement arcades* |
| 20 | *Bars on beaches a bad idea. Will encourage drunken behaviour* | *bars* |
| 21 | *More organised BBQ on the beach with a responsible person to be in charge for young familys* | *BBQ* |
| 22 | *I am a little worried about a beach hut being taken away from somebody elderly who has enjoyed it for many years and paid a lot of rent.* | *Beach Hut consultation* |
| 23 | *Bike hire. This causes problems in Bournemouth's prom. If a serious accident occurs are the hire's and council partly liable* | *bike hire* |
| 24 | *Bike hire: what is point drawing in to hire a bike with nowhere to ride. Better to plan a ride in and drop off bike. Similar to London. More beach huts-more parking.* | *bike hire* |
| 25 | *Don't see the need for more benches. We have enough gyms, don't want members clogging up car parks. Bike hire - there are enough bikes already.* | *bike hire* |
| 26 | *Increasing bike hire when too many fast cyclist can be an added danger to children. Zip wire to the beach (There will be accidents!)* | *bike hire* |

| 27 | *Not much point in bike hire if cycling bans are in place on the prom for several months.* | *bike hire* |
|---|---|---|
| 28 | *the introduction of cycle hire , this could cause problems as the only areas for cycling are also areas widely used by pedestrians* | *bike hire* |
| 29 | *Worry about more commercial ventures - could be more litter. Bike hire? There would have to be a cycle way beyond the promenade* | *bike hire* |
| 30 | *Boat Houses would spoil vista* | *Boat house to rent* |
| 31 | *Fancy buildings out of place* | *buildings* |
| 32 | *No more buildings or services at the beach - no more car parks, events,* | *buildings* |
| 33 | *No buildings that do not blend in with the environment.* | *Buildings that don't blend with environment* |
| 34 | *Fun fairs  over utilisation of the beach with cafes spreading tables etc into the sandy areas* | *cafes* |
| 35 | *Plenty of cafes already. Parents cant afford. Less commercialisation* | *cafes* |
| 36 | *Trying to make Canford Cliffs more than it is now* | *Canford Cliffs* |
| 37 | *The Canford Cliffs Chine ideas. No to public art - costs a fortune and everyone's tastes are different no to overnight studios, and what is zip wire?* | *Canford Cliffs ideas* |
| 38 | *More car parks, pubs, sand dune landscape (ridiculous), zipwire, sky cafe ruining natural landscape, overnight accommodation.* | *car parks* |
| 39 | *things I don't like that most family's that have kids don't always keep their eye on them.* | *children* |
| 40 | *The beach isn't just for sunny days* | *comment* |
| 41 | *Commercial activity. Any tall buildings on beach. Toilets often shut when you need them.* | *commercial activity* |
| 42 | *Making the beaches too commercial. Beaches are a wonderful play area for families away from the trappings of daily life. Making restaurants and shops a big part of the plan leads to an expensive day out, which alters the charm. Lots of additional activity* | *commercial activity* |
| 43 | *More commercial activity  Visitor accommodation (hotel)  Overnight accommodation (pods etc - ridiculous)  Pubs  Zip wire* | *commercial activity* |
| 44 | *More commercial activity. Already a lot of ice cream/cafe facilities although they are too expensive in the main so competition may be good* | *commercial activity* |
| 45 | *More commercial activity near harbour - already under pressure from noise etc. in summer from ski jets boats etc all effect diminishing wildlife. Landmarks whether artificial dunes or to indicate arrival at beaches! Another Hotel! (The Poole Quay landmark sculpture unappreciated expensive, waste of money* | *commercial activity near harbour* |
| 46 | *Not sure about idea of more commercial activity near the harbour also wary of too many 'pay to use' activities reducing space for visitors at peak times.* | *commercial activity near harbour* |
| 47 | *I do not like the idea of commercial facilities on the beach.* | *commercial facilities* |
| 48 | *Any commercial - type ideas for Flaghead, Canford Cliffs and Branksome Dene Chine* | *commercialisation* |
| 49 | *Changing too much - becoming too commercial and tourist - the reason I choose to visit the particular beach I go to is because it is not inundated with too many people.* | *commercialisation* |
| 50 | *Improving the facilities if this leads to more commercialism.* | *commercialisation* |
| 51 | *Most of the rest as I would not like more commercialisation as there is enough already* | *commercialisation* |
| 52 | *Most of them-Poole beaches a good because they are not over commercialised thy are what they are open beaches and access to the sea.  Over commercialisation will drastically reduce what is pleasing about Poole's beaches.  All you have to do is look at Bournemouth.* | *commercialisation* |

| | | |
|---|---|---|
| 53 | *Transfer of amenities to commercial interests : polo stops beach use, expensive food outlets create 'tourist traps' & bad feelings* | *commercialisation* |
| 54 | *Crazy golf at Branksome Chine Pubs (already got terrace bar - Branksome Chine and Jazzys) putting gym amenities on to beach zip wire public art overnight huts* | *crazy golf* |
| 55 | *Crazy golf by the Chine stream (not good by water with kids!) Public space linking chine with beach zip wire* | *crazy golf* |
| 56 | *All - why segregation* | *different areas for different activities* |
| 57 | *keep beach huts looking the same to blend in better and certainly no high building near the beach some events are ok but not to over do it so people can just relax on beach I would not be in favour of more pubs near the beach with the bad behaviour they bring.* | *different areas for different activities* |
| 58 | *labelling some beaches as 'quiet' may make them lousy!* | *different areas for different activities* |
| 59 | *dogs on beaches* | *dogs* |
| 60 | *Houses and dogs in high summer only* | *dogs* |
| 61 | *Dogs fouling on beaches small children on beach, owners pick the mess up* | *dogs fouling* |
| 62 | *Dogs fouling on the beach and pathways.* | *dogs fouling* |
| 63 | *Free for all* | *free for all activities* |
| 64 | *Possible 'free for all' access by masses more vehicles towards the beaches, without real regard to road infrastructure when people need to go home at close of day! Already creates 'holiday hell' for residents of Sandbanks Road! Might this factor alone call for the reconsideration for reopening the road along from Baiter that was scrapped some years ago???* | *free for all activities* |
| 65 | *No further development* | *FURTHER DEVELOPMENT* |
| 66 | *High quality bbq (i.e. cafe) will these be charging higher prices* | *high quality BBQ* |
| 67 | *Hostels, hotels, gym, 'commercial activity' .* | *hostels* |
| 68 | *Hotels, hostels, pubs and cafe, water taxi, activities* | *hostels* |
| 69 | *Hotel. Welcoming landmark building. Beachside gym. The generally worrying "more commercial activity near the harbour". Land sports facilities.* | *hotel* |
| 70 | *Hotels may obscure views, small accommodation is better.* | *hotel* |
| 71 | *Hotels or cheap overnight accommodation* | *hotel* |
| 72 | *Hotels - unnecessary as we have plenty also landmark building is unnecessary crazy golf would spoil natural environment play areas - we play on the beach!* | *hotels* |
| 73 | *hotels, bars, pubs - there are plenty of hotels close by and already bar/cafe facilities - we don't need more. high ropes - go to Moors Valley! Zip wire!?!* | *hotels* |
| 74 | *Hotels, sky cafe (not viable = cost to c/tax payers)* | *hotels* |
| 75 | *I do not like the idea of hotels on the seafront. The buildings themselves will restrict access and views. It will take away the "unspoilt" feeling.* | *hotels* |
| 76 | *No hotels or hostels. Already have enough accommodation.* | *hotels* |
| 77 | *no more Hotels - there already are some! pay for activities Pub changing facilities* | *hotels* |
| 78 | *The idea of hotel facilities will take from existing facilities.* | *hotels* |
| 79 | *There's nothing that stands out as unappealing, with the exception maybe of too many hotels/accommodation overlooking too much of the beach.* | *hotels* |
| 80 | *Increase income and private investment. (Beach is facility all can use!)* | *Increase income and private investment* |

| | | |
|---|---|---|
| 81 | *Increasing 'income and private investment' sounds like making money for investors for which the public will pay!* | *Increase income and private investment* |
| 82 | *Increasing private investment is not a good idea. Tired - looking benches and shelters could easily be re-furbished not replaced.* | *Increase income and private investment* |
| 83 | *Inappropriate buildings which dominate the landscape/seascape* | *inappropriate buildings* |
| 84 | *Investing in this currant climate would always be a sticky point, but I am realistic enough to know sometimes we need to spend money.* | *investing* |
| 85 | *investment by private companies they will impose to many restrictions* | *investing* |
| 86 | *investment in Sandbanks - it has huge interest as it is.  Crazy golf* | *Investing in Sandbanks* |
| 87 | *To invest in the ageing infrastructure as priority without consideration for peoples' needs and requirements ( leisure, enjoyment of the location etc) would miss an ideal opportunity to make our beaches more appealing and thus attract more visitors.* | *investment* |
| 88 | *One of the areas should be kept quieter. Everything seems too busy - not everyone likes noise.* | *keep quiet areas* |
| 89 | *A landmark building, gastly spiky architecture, palm trees pretending we are in the south of France, gaming arcades, more buildings, more overcrowding* | *landmark building* |
| 90 | *Anything that affects the natural beauty of the beaches such as dominant buildings, more concrete etc* | *landmark building* |
| 91 | *Landmark building / overnight beach huts* | *landmark building* |
| 92 | *Not sure about a tall landmark building - we don't want another solar pyramid as proposed a few years ago!* | *landmark building* |
| 93 | *Welcoming landmark building - why??? Waste of money, beachside gym???* | *landmark building* |
| 94 | *Welcoming landmark building at Sandbanks rings alarm bells* | *landmark building* |
| 95 | *All the building works - eg tall landmark buildings and accommodation will ruin the 'natural' beauty of the beaches* | *landmark buildings* |
| 96 | *Better signage (current signage is a eyesore/ blots out the seascape view small shops, cafes pubs - too much commercialisation. Landmark building - the view is the landmark!!! Don't spoil it. Pod's /studios More food outlets = obesity* | *landmark buildings* |
| 97 | *Landmark tall building - would spoil the views and character of the beaches and perhaps become an eyesore (think IMAX in Bournemouth for example...)* | *landmark buildings* |
| 98 | *My only worry is that in making the beaches more commercial and profit seeking, we will loose the quieter more secluded areas which can be a pleasure to enjoy.* | *loosing quieter areas* |
| 99 | *Don't make Sandbanks too commercial but provide cafes nearer the beach.* | *Making Sandbanks too commercial* |
| 100 | *All costs are borne by the residents of Poole but are enjoyed by many non residents and holiday makers, the influx of people may help the business but are too a large extent a demand on the local people. Car parking charges may bring in some value.* | *Money* |
| 101 | *I want you to stop wasting money* | *money* |
| 102 | *Not to be paid by rate payer* | *money* |
| 103 | *Not to spend too much council tax payers money on projects* | *money* |
| 104 | *more beach huts - I believe we have plenty already. Money would be best spent elsewhere* | *More beach huts* |
| 105 | *More parking if it means destroying something, showers and changing facilities as these are often abused* | *more parking* |
| 106 | *More parking. We should encourage cycling, walking and public transport.* | *more parking* |
| 107 | *Not enough car parking provided yet this can generate more income and more visitors* | *not enough parking - can generate income* |
| 108 | *No off - season events blocking car parks, water sports bike hire* | *off-season events* |

| | | |
|---|---|---|
| 109 | *The old type beach huts soon look dilapidated.* | *old type beach huts* |
| 110 | *Most people come to the seaside for the simple pleasures of sea, sand and with luck sun. Dont destroy these simple natural pleasures by overbuilding. Make sure firstly that the facilities that are already in place (cafes, toilets etc) are truly first class.* | *over-building* |
| 111 | *Danger of over developing a natural area and making it more attractive for seasonal visitor than local people.* | *over-development* |
| 112 | *Would not welcome over development as I like it quite natural* | *over-development* |
| 113 | *Any form of overnight visitor accommodation or extra eating/drinking venues - especially shops and pubs.* | *Overnight accommodation* |
| 114 | *Overnight accommodation on the beach side. Feel this would over commercialise and ruin natural landscape.* | *Overnight accommodation* |
| 115 | *Overnight accommodation, more bikes, hotels (there are plenty underused) beach huts that can be bought on long lets. Let everyone have a chance.* | *Overnight accommodation* |
| 116 | *Overnight beach hut accommodation-could cause much more anti-social behaviour, litter and noise for residents. NO MORE beach huts they are far too expensive and another community room to rent like Branksome Dene would be much more appreciated. DO NOT spend* | *Overnight accommodation* |
| 117 | *The floating of an idea to provide overnight accommodation.* | *Overnight accommodation* |
| 118 | *any overnight accommodation, whether pods or (god forbid) more hotels will completely ruin the peaceful, natural atmosphere, and could encourage antisocial behaviour. Dunes are natural features, you can't build them without having to spend a fortune* | *overnight accommodation* |
| 119 | *I am not sure that providing overnight beach hut accommodation is a good idea, it may attract the late night parties. But then again providing lighting along the promenade may have the same effect.* | *overnight accommodation* |
| 120 | *I don't like overnight accommodation on the beach. I think this would encourage mess and overnight trouble and noise* | *overnight accommodation* |
| 121 | *Not sure about overnight beach huts/ pods - need more information commercial activities - more details required.* | *overnight accommodation* |
| 122 | *Anything that provides overnight accommodation.* | *overnight accommodation* |
| 123 | *'High Quality overnight accommodation' ' A high grade hotel' oh dear. Is it going to become a place for the social elite. We have polo already.* | *overnight accommodation (high quality)* |
| 124 | *Not sure if I like the idea of overnight beach huts or not - Also, despite my positive comments above, to keep some areas very quiet and natural (such as Canford cliffs) would be better than to create 'vibrancy' as beach spaces for quiet contemplation.* | *Overnight beach huts* |
| 125 | *Overnight beach huts - it would lead to development* | *Overnight beach huts* |
| 126 | *Overnight beach huts or another expensive hotel. If all of the building development went ahead along Sandbanks Road - spoiling view of harbour.* | *Overnight beach huts* |
| 127 | *Overnight beach huts, bike hire, more parking* | *Overnight beach huts* |
| 128 | *Overnight beach huts, I don't think its the right area at Sandbanks.* | *Overnight beach huts* |
| 129 | *The only idea that I don't like is the idea of Overnight beach huts* | *Overnight beach huts* |
| 130 | *No overnight studio's/ beach huts style accommodation at any of the beaches - will attract additional problems. Police are stretched already in terms of monitoring beaches at night. Parties often continue throughout the night uninterrupted.* | *overnight studios* |
| 131 | *Overnight studios- o.k if used responsibly but my experience says that this is unlikely. It only takes a few to spoil it for everyone.* | *Overnight studios* |
| 132 | *Closing parts of beaches for private functions (Polo etc)* | *polo* |
| 133 | *Don't make the only beaches available to us inaccessible like Polo which denies us access to the only really accessible beach.* | *polo* |

| 134 | *All have their own merits Go for it!!!* | *positive* |
|---|---|---|
| 135 | *All looks good* | *positive* |
| 136 | *All ok* | *positive* |
| 137 | *All seem a good idea* | *positive* |
| 138 | *All seem fair.* | *positive* |
| 139 | *All the ideas have some merit. Choosing the least attractive is difficult suspect it will come to finance.* | *positive* |
| 140 | *As long as its in keeping with environment and suitable I'm happy.* | *positive* |
| 141 | *Can't think of anything* | *positive* |
| 142 | *I like all - as long as they are affordable to the whole spectrum of Poole residents* | *positive* |
| 143 | *I liked the ideas.* | *positive* |
| 144 | *love beaches go most week sometime* | *positive* |
| 145 | *Most ideas look appealing* | *positive* |
| 146 | *Most of them* | *positive* |
| 147 | *No objections* | *positive* |
| 148 | *No particular objections* | *positive* |
| 149 | *The changes seem positive to me.* | *positive* |
| 150 | *There all good* | *positive* |
| 151 | *There are none that I don't like* | *positive* |
| 152 | *Think they are all good ideas* | *positive* |
| 153 | *The beaches are fine. Just because they are glamorous projects does not mean they should draw money away from other more important things (eg. transport)* | *priorities* |
| 154 | *Private investment / do not need another Blackpool* | *Private investment* |
| 155 | *Pubs - think of the noise, litter, drunken behaviour, broken glass etc Anything involving major construction - this would ruin a spectacular stretch of coast and is totally un-necessary* | *Pub* |
| 156 | *Pubs + gambling/hostels overnight parking/campervans 24/7 and freeloading paying little or nothing for weeks in prime locations blocking paths and loud music/animal and human waste antisocial visitors* | *Pub* |
| 157 | *Don't like the idea of pubs. Can just imagine drunken behaviour around families. We already have Jazzies and Sandacres.* | *Pubs* |
| 158 | *Maintain natural environment No pubs/ hotels like Bournemouth* | *pubs* |
| 159 | *No pubs to draw away louts from town centres. No overnight accommodation to avoid late rowdiness.* | *pubs* |
| 160 | *Pubs on the beach and new hotels - there are already enough of these struggling for business in the area and beaches,sun and pubs often lead to public behaviour problems.* | *pubs* |
| 161 | *pubs or 'amusement' arcades* | *pubs* |
| 162 | *The idea of pubs, which could encourage discomfort to others.* | *pubs* |
| 163 | *Thoughts of pubs on or near beach* | *pubs* |
| 164 | *Venues such as pubs/bars. Lets focus on health and wellbeing on the seafronts.* | *pubs* |
| 165 | *Engineering' the beach to provide sand dunes - People of all ages from all walks of life come here because it is unspoilt. What allows the architects think they design better than nature? The whole environment is very dependant upon the weather.* | *Sand dune landscape* |
| 166 | *Emphasis on children's play areas, more pubs and cafes in Sandbanks.* | *Sandbanks - pubs and cafes* |
| 167 | *I wouldn't want any landscaping of Sandbanks' dunes.  No overnight beach huts, no hotel accommodation on the beach - bigger car parks are all well and good [or more car parks] but there needs to be increased parking facilities for the disabled nearer to the beach.* | *sandbanks dunes* |

| | | |
|---|---|---|
| 168 | *Shell fish huts - sounds tacky* | *shell fish huts* |
| 169 | *More shops, cafes and ? pub. Overnight accommodation - keep natural rather than commercial.* | *shops* |
| 170 | *Not too many shops and cafes - there are enough children's play areas at Sandbanks ( most children happy with bucket, spade and sea) beachside gym - unnecessary land sports facilities not needed.* | *shops and cafes* |
| 171 | *Sky cafe, large hotels or tall landmark buildings will set precedents that developers will then use to create larger taller buildings destroying the very beauty that people come for. Extreme modern buildings date very quickly.* | *sky cafe* |
| 172 | *Concerned that sky cafe idea would fall - as cliffs erode! But nice idea if possible.* | *sky café* |
| 173 | *All that involve increased spending from the council's limited budget.* | *spending money from council budget* |
| 174 | *Don't like the surf reef - waste of public money and it is not what are beaches are about* | *surf reef* |
| 175 | *Buildings too tall or too near beach causing shade on the beach.* | *tall buildings* |
| 176 | *New businesses, any extra signs, tall buildings overnight, beach huts/accommodation 'landmark' buildings, zip wire to beach, no hostels/hotels, more sports facilities* | *tall buildings* |
| 177 | *No tall buildings please (spare us the IMAX)* | *tall buildings* |
| 178 | *No tall landmark buildings. They cast shadows on the esplanade and beach. Maybe 1 tower as a view point.* | *tall buildings* |
| 179 | *No to overnight sleeping No to amusement arcades - No to tall buildings* | *tall buildings* |
| 180 | *Not sure about the tall landmark buildings, Poole Quay is an example of this not working, the quay has been spoiled in looks and the new building of flats on West Quay Road is an absolute eyesore, so please do not do that to our beaches. Modern yes, but* | *tall buildings* |
| 181 | *Tall buildings/overnight accommodation Do not use the beach for buildings* | *tall buildings* |
| 182 | *Tall buildings near the sea front modern looking beach huts* | *tall buildings* |
| 183 | *Tall landmark buildings* | *tall buildings* |
| 184 | *Tall landmark buildings amusement arcades* | *tall buildings* |
| 185 | *Anything that adds traffic to Sandbanks. It is terrible.* | *Traffic* |
| 186 | *Use of beach for facilities* | *use of beach for facilities* |
| 187 | *Using the beach itself for facilities* | *use of beach for facilities* |
| 188 | *Variety of beach huts, looks too untidy as it with run down, scruffy ones to look at as you walk along* | *variety of beach huts* |
| 189 | *engineering' the beach to provide sand dunes - People of all ages from all walks of life come here because it is unspoilt. What allows the architects think they design better than nature? The whole environment is very dependant upon the weather.* | *visitor accommodation* |
| 190 | *Visitor accommodation - a hotel, overnight studios, hostel - No!!! A zip wire to the beach at Canford Cliffs* | *visitor accommodation* |
| 191 | *Visitor accommodation as it would take much needed business away from established guest houses etc.* | *visitor accommodation* |
| 192 | *visitor accommodation - enough already in bmth & Poole unnecessary architecture.* | *visitor accommodation* |
| 193 | *visitor accommodation, overnight beach huts, changing quieter beaches and commercialising* | *visitor accommodation* |
| 194 | *Zip wire - don't like charges (too high) for parking - especially for local rate payers* | *zip wire* |
| 195 | *Zip wire at Canford cliffs beach / Branksome chine- no this is not necessary There does not need to be a welcoming landmark ! No silly ideas like a giant sundial. The natural beauty of the area is more than sufficient the area has everythin* | *zip wire* |
| 196 | *zip wire over road* | *zip wire* |

| 197 | *A zip wire to the beach* | *zip wire* |
| 198 | *Not sure if we need a zipwire to the beach or nightime studios at canford cliffs. Also not keen on land sports at canford cliffs, overnight accommodation or studios, nor a hotel at branksome dene.* | *zip wire* |
| 199 | *Anything that adds clutter, likely to look shabby in a few years or be vandalized, e.g. Zip-wires, footpath lighting, "play spaces" (its the beach - a big play space?), more huts, pods, rooms etc* | *zip wires* |
| 200 | *A lot seem unnecessary - a beautiful beach is an attraction in its own right - don't need extras to draw people in, well used abroad.* | |
| 201 | *No change* | |
| 202 | *Shore Rd no change/ Canford Cliffs no change/ Branksome Dene Chine no change* | |
| 203 | *To close the quay front to people visiting Poole.* | |

# Comments and suggestions about the ideas – 359 comments

| # | Comment | Category | Type |
|---|---------|----------|------|
| 1 | *Take away the excess sand which has been dumped on the beach. Get back to previous lane with access to steps* | *Access* | *comment* |
| 2 | *All building should enhance - not impact on an already developed beach area from Sandbanks to Shore Road. Easy public access to the whole of the beach is the priority* | *Access* | *comment* |
| 3 | *Hotel at Branksome Dene a bad idea - its charm is its undeveloped nature.* | *accommodation* | *comment* |
| 4 | *There are sufficient hotels -there does not need to be overnight accommodation on/ near the beach.* | *accommodation* | *comment* |
| 5 | *Allow budget hotels and bed and breakfast guest houses* | *accommodation* | *suggestion* |
| 6 | *Why should visitor accommodation be provided. The beaches are for the people that live here. Tourists can sort themselves out.* | *accommodation* | *suggestion* |
| 7 | *Use beach Rd car park for overnight hostel ideal space / all year use for walkers/cyclists etc. keep kite surfers in inner harbour.* | *accommodation* | *suggestion* |
| 8 | *I like idea of affordable accommodation. We don't need anymore high grade hotel. It needs improved transport at all the beaches.* | *accommodation and transport* | *comment* |
| 9 | *Please stop noisy dangerous jet skis or at least constrain their use to much further out to sea they come in far to close* | *activities* | *comment* |
| 10 | *Overdoing the facilities for high season use might emphasise the ghostliness of the area out of season. Cater for the out of season visitors/significant portion of elder population in early 21st century.* | *activities* | *comment* |
| 11 | *As long as sports are not given priority over children and elderly.* | *activities* | *comment* |
| 12 | *Keep the sand - not pebbles. Children's playgrounds off the sand* | *activities* | *comment* |
| 13 | *I don't think the activities should take over the beaches* | *activities* | *comment* |
| 14 | *For local people the facilities are all really expensive. Could affordability for families be considered please* | *activities* | *comment* |
| 15 | *Create a water park in the sea - sail boat racing in the bay - more water sports kit to rent - Have a summer marina for big boat racing - put moorings down for visitors to stop and eat at restaurant.* | *activities* | *suggestion* |
| 16 | *Themed events* | *activities* | *suggestion* |
| 17 | *Splash pool, Bike Hire, all weather fun* | *activities* | *suggestion* |
| 18 | *some other activities under a gazebo like bingo, quizes, water colour or oils - people could pay and council could make a profit* | *activities* | *suggestion* |
| 19 | *Some indoor facilities or just  indoor seating area.* | *activities* | *suggestion* |
| 20 | *Sandcastle building competition.* | *activities* | *suggestion* |
| 21 | *Possibly more investment for things to do for children more 'going on'* | *activities* | *suggestion* |
| 22 | *Need more attractions to the beaches in the evenings* | *activities* | *suggestion* |
| 23 | *More organised summer activities especially for youngsters* | *activities* | *suggestion* |
| 24 | *More for teenagers - activities in chines - zip wires etc.* | *activities* | *suggestion* |
| 25 | *More facilities for water sporters along Sandbanks ie. windsurfers could be made a 'Venice Beach'* | *activities* | *suggestion* |
| 26 | *more evening events in lighter nights cheaper car parking for council tax payers* | *activities* | *suggestion* |
| 27 | *I do like the way the beach at Sandbanks is used for large events such as the Beach Polo and the Volleyball tournaments with the music and entertainment into the evening.  A similar type of event (maybe a mini festival type event) would attract a more varied visitor to the usual demographic which may in turn persuade those visitors to return.* | *activities* | *suggestion* |
| 28 | *Gym equipment like parks* | *activities* | *suggestion* |
| 29 | *Floating pontoon to swim out to.* | *activities* | *suggestion* |

| | | | |
|---|---|---|---|
| 30 | *Family days with activities for families* | *activities* | *suggestion* |
| 31 | *Encourage/ plan boat trips from Sandbanks to and from Bournemouth (pier), Brownsea Island, Isle of Wight. (possible?)* | *activities* | *suggestion* |
| 32 | *Boats to rent would be great.* | *activities* | *suggestion* |
| 33 | *As most activities (including parking) come at a price, please provide residents with a generous discount* | *activities* | *suggestion* |
| 34 | *A sponsored ride on scooters or tricycles for children under 8 between Shore Road and Branksome Chine.* | *activities* | *suggestion* |
| 35 | *A shore diving attraction / reef off Branksome Chine beach* | *activities* | *suggestion* |
| 36 | *a paddling pool would be good such as the one that was at Alum Chine* | *activities* | *suggestion* |
| 37 | *Limited services and facilities.* | *activities and amenities* | *comment* |
| 38 | *Provide more indoor attractions (aquarium or leisure pool), provide lockers for clothing, valuables* | *activities and amenities* | *suggestion* |
| 39 | *Possibility, perhaps of provision (paid) if sun loungers and sunshades - as per continent also beach bar/restaurant/ bbq. More plants* | *activities and amenities* | *suggestion* |
| 40 | *More bins, water feature, squirting fountains, outdoor chess, bowles* | *activities and amenities* | *suggestion* |
| 41 | *Art studios on the cliffs or promenade, have a go arts and crafts activities for children and adults. Skate park near to promenade.* | *activities and amenities* | *suggestion* |
| 42 | *Music events, shops,* | *activities, places to eat* | *suggestion* |
| 43 | *Re: the toilets at Shore Road these are an eye sore. I make sure I do not have to use. They certainly let our area down Blue flag for water* | *amenities* | *comment* |
| 44 | *More regular clearance of sand from the promenade* | *amenities* | *comment* |
| 45 | *Keeping promenades clear - easier for mums / bike ride* | *amenities* | *comment* |
| 46 | *Keep the existing facilities safe and clean.* | *amenities* | *comment* |
| 47 | *Improved toilets and seating areas would be very welcome* | *amenities* | *comment* |
| 48 | *Important to have toilets that are open on each beach throughout the year.* | *amenities* | *comment* |
| 49 | *i think the beaches do well as they are, conservation of existing facilities and maybe improvements to public toilets should be considered* | *amenities* | *comment* |
| 50 | *I prefer conventional seats.* | *amenities* | *comment* |
| 51 | *Cleaner promenades* | *amenities* | *comment* |
| 52 | *Children designing art / picture out of recycling to cover eyesores or old building to fit in better.* | *amenities* | *comment* |
| 53 | *Beaches and promenades regularly swept and kept clear of rubbish in the season* | *amenities* | *comment* |
| 54 | *Joining up the chine and the beach at Branksome - where would the road go? Not sure about pub - too much drinking already* | *amenities* | *question* |
| 55 | *Would like to see fresh water showers in Branksome Chine - 'They have none'* | *amenities* | *suggestion* |
| 56 | *What about building a children's activity centre/hall It could be used by local resident in the evening for scouts, guides etc. In summer or school holiday it could be used for a day camp/summer camp* | *amenities* | *suggestion* |
| 57 | *Use the groynes as locations for art works, sculptures, with waterproof paintings on existing boarding.* | *amenities* | *suggestion* |
| 58 | *There should be lighting all the way along the prom from Bournemouth to make it safer to walk at night.* | *amenities* | *suggestion* |
| 59 | *The pictures of uncomfortable looking stone seating (makes me sound like my Grandmother!) are disappointing. Function should be a major consideration, people like to take their sandwiches and look at the sea and watch the world go by.* | *amenities* | *suggestion* |
| 60 | *The pathways down to the beaches could be lit with coloured lanterns among the bushes and trees, creating a wonderful magical evening walk to the sea.* | *amenities* | *suggestion* |

| | | | |
|---|---|---|---|
| 61 | *Some nice garden areas with seating* | *amenities* | *suggestion* |
| 62 | *Some kind of huts on beach for changing food temp!* | *amenities* | *suggestion* |
| 63 | *Secure storage for sports equipment like windsurfers boards, kayaks and other boats and ban and exclusion zones for anything with motors* | *amenities* | *suggestion* |
| 64 | *Rebuild toilets to modern standards and maintain them properly* | *amenities* | *suggestion* |
| 65 | *Provide more comfortable seating areas* | *amenities* | *suggestion* |
| 66 | *Promenade extended between Sandbanks and Shore road and incorporate lighting* | *amenities* | *suggestion* |
| 67 | *Poole needs a nudist beach so that people would not need to take ferry to Studland* | *amenities* | *suggestion* |
| 68 | *Permanent seating e.g. concrete loungers as on Barcelone beach* | *amenities* | *suggestion* |
| 69 | *Mosaics as public art- robust, less open to graffiti as on the floor, could have a marine theme.* | *amenities* | *suggestion* |
| 70 | *More waste bins, higher fines for people throwing rubbish* | *amenities* | *suggestion* |
| 71 | *More secure bike bins to encourage cyclists not cars.* | *amenities* | *suggestion* |
| 72 | *More safe areas to leave bikes with secure fixing for locks to be applied - more lighting in chine areas.* | *amenities* | *suggestion* |
| 73 | *More rubbish containers and more frequent emptying.* | *amenities* | *suggestion* |
| 74 | *More lighting - inc harbourside walks ie Whitecliff to Poole Quay - too dark at night* | *amenities* | *suggestion* |
| 75 | *More bicycle racks along all of the beaches as there are too few as it is* | *amenities* | *suggestion* |
| 76 | *Maybe provide changing rooms and lockers somewhere for people to leave valuables (small charge)* | *amenities* | *suggestion* |
| 77 | *Lots of seats and shelters that older people can enjoy when on holiday* | *amenities* | *suggestion* |
| 78 | *I'd like to see some all weather "gazebos" to protect from sun or rain with cafe facilities* | *amenities* | *suggestion* |
| 79 | *I think the idea of water taxis is great to link beaches and the Quay, What about lockers/safe storage for kit and valuables, if people don't have cars they need safe storage if they want to move around.* | *amenities* | *suggestion* |
| 80 | *Hire of sunbeds and deckchairs.* | *amenities* | *suggestion* |
| 81 | *Showers for beach users better toilets cleaner beach and prom simple things parking buses to beach.* | *amenities* | *suggestion* |
| 82 | *Facilities for surfers etc to stay overnight in their campervans - also facilities for visitors with camper vans* | *amenities* | *suggestion* |
| 83 | *Extend promenade from Sandbanks to Shore Road.* | *amenities* | *suggestion* |
| 84 | *Extend promenade from shore road to Sandbanks, haven* | *amenities* | *suggestion* |
| 85 | *Community / village hall type facility for hire at Sanbanks / Shore Road for family / community events (all weather)* | *amenities* | *suggestion* |
| 86 | *Changing Pods, maybe with a shower.* | *amenities* | *suggestion* |
| 87 | *Boardwalk from Sandbanks to chain ferry* | *amenities* | *suggestion* |
| 88 | *Availability of free wifi and 'promenade'' seating/work areas for people to work outside. The pictures on the back of the leaflet of proposed buildings etc looks appealing.* | *amenities* | *suggestion* |
| 89 | *Artificial coves for safe swimming and would stop the sand moving* | *amenities* | *suggestion* |
| 90 | *Art galleries* | *amenities* | *suggestion* |
| 91 | *Allow some licensed mobile traders on the beach especially down towards the Sandbanks end where there is very little and reinstate the bins ! empty them ! this prevent people hiding their rubbish in the sand.* | *amenities* | *suggestion* |
| 92 | *A slipway at lake pier west side and a beach sand deposit enlarge Ham car park x 4 rows* | *amenities* | *suggestion* |
| 93 | *A pier to give status and opportunities for commercial attractions boat trips* | *amenities* | *suggestion* |
| 94 | *Better lighting at night. Park and ride.* | *amenities and* | *suggestion* |

| 95 | *Why are so many beach huts never used. Dozens never seem to ever used. If not used through summer rent to others* | *Beach Huts Consultation* | *comment* |
| 96 | *Some of the beach huts look very tired. Owners should be made to improve their appearance (paint work, curtains etc)* | *Beach Huts Consultation* | *comment* |
| 97 | *Old beach huts need re-placing, existing facilities need smartening up.* | *Beach Huts Consultation* | *comment* |
| 98 | *Beach huts are very old fashioned - please a small minority.* | *Beach Huts Consultation* | *comment* |
| 99 | *after waiting many years to get a beach hut and spending a small fortune on it. Would be very annoyed to be concerned about losing it.  As we enjoy the hut with extended family and friends.* | *Beach Huts Consultation* | *comment* |
| 100 | *Up grade some beach huts to include electric and water and charge a hefty premium. Look at the possibility of 'dual occupancy' or some kind of 'time-share'* | *Beach Huts Consultation* | *suggestion* |
| 101 | *to ensure regular feedback of beach users. to ensure a review date is factored in* | *Beach Huts Consultation* | *suggestion* |
| 102 | *There should be more short term beach huts, and people who don't use their beach huts regularly should have to give them up.* | *Beach Huts Consultation* | *suggestion* |
| 103 | *Scope for more beach huts* | *Beach Huts Consultation* | *suggestion* |
| 104 | *Perhaps the beach huts can only be hired by the same family for a set number of years, but more than one, say three or five.* | *Beach Huts Consultation* | *suggestion* |
| 105 | *Advertise the rental of beach huts to the local people - I lived in Dorset for 20 years before I found out that you could rent 'huts'.* | *Beach Huts Consultation* | *suggestion* |
| 106 | *To appoint Beach Wardens* | *Beach Wardens* | *suggestion* |
| 107 | *Would like the area to stay as natural as possible too much commercialism would spoil it.* | *Commercialisation* | *comment* |
| 108 | *Poole beaches attract people seeking to appreciate its natural beauty. Its beach huts and water/land/beach sports. It would be a shame to encourage too many commercial retail outlets.* | *Commercialisation* | *comment* |
| 109 | *Please stop the creeping commercialisation and management of a beautiful space. The balance is right at the moment* | *Commercialisation* | *comment* |
| 110 | *Please do not commercialise the beaches.  The beaches are a wonderful asset as they are.  Yes update the toilet facilities, add better cafe facilities, improved seating and generally improve the overall maintenance but please no high rise/landmark building* | *Commercialisation* | *comment* |
| 111 | *Most ideas are great - please don't spoil it by making it too commercial, packed overnight pods, tree studios etc great idea and goo revenue won't spoil beach too much if done tastefully* | *Commercialisation* | *comment* |

| 153 | *What ever you do keep it high quality* | *General* | *comment* |
| 154 | *We have to remind ourselves of why so many people visit our beaches - if too much commercialism takes over it will lose many tourists - Pristine beaches and water are paramount. Studland has few facilities but is so popular* | *General* | *comment* |
| 155 | *We have a considerable natural asset in our beaches 95% of Poole residents are happy with that. Tidy the existing buildings up. Replace drainage. Then leave it alone!! Or it will end up like Blackpool!* | *General* | *comment* |
| 156 | *The beaches are always busy especially in high season - bringing in even more people without ruining the environment has to be a balancing act* | *General* | *comment* |
| 157 | *The beach is the magnet for the majority of visitors - note how many families spend hours enjoying the quality of sand, and the access to safe sea water. Wide expanses of clean soft sand need to be protected; sport facilities come as a secondary attraction.* | *General* | *comment* |
| 158 | *Sounds like too much commercializing - If we have beautiful beaches, lets try and make them stay as beaches* | *General* | *comment* |
| 159 | *Remember, it's a beach. Don't let it become a development of bars and coffee shops, or an activity centre built on a beach. Build more day use beach huts, not expensive overnight studios etc.* | *General* | *comment* |
| 160 | *Please, please, please... our beaches are virtually the only part of Bournemouth and Poole that are natural, attractive and unspoilt - keep it that way!* | *General* | *comment* |
| 161 | *Please, please can I ask you not to make the beaches look the same, we are proud of what beauty we have here.* | *General* | *comment* |
| 162 | *Allow budget hotels and bed and breakfast guest houses* | *General* | *comment* |
| 163 | *Please try to avoid using too much of the beach itself for facilities - the semi natural beach scene is its greatest attribute. Any development should reflect and respect the natural beauty.* | *General* | *comment* |
| 164 | *Please remain a beach - not an activity centre* | *General* | *comment* |
| 165 | *Please keep the area as natural looking as possible, avoid the mistakes Bournemouth has made with IMax and Reef. Update toilets etc. Avoid anything garish-looking like the Imax. Keep dogs off beaches.* | *General* | *comment* |
| 166 | *Please keep some of the natural features eg no development in front of sand cliffs at Canford cliffs.* | *General* | *comment* |
| 167 | *Please include Hamworthy and Lake Pier beaches.* | *General* | *comment* |
| 168 | *Please always keep in mind - local people* | *General* | *comment* |

| 172 | *Not at the moment* | *General* | *comment* |
| 173 | *Not at present - i think all Poole's beaches are fantastic anyway* | *General* | *comment* |
| 174 | *Must be in keeping with the natural environment.* | *General* | *comment* |
| 175 | *Much needs to be done to repair and conserve ageing buildings and seats* | *General* | *comment* |
| 176 | *Make more of the natural environment and encourage wildlife rather than more rowdy pubs and hotels with kite-surfers and zip wires. Sand sculptures are quite a nice attraction and things that are more related to the environment.* | *General* | *comment* |

| | | | |
|---|---|---|---|
| 177 | *Maintain what is there already - there are enough cafes, commercial venues already - some are particularly tacky* | *General* | *comment* |
| 178 | *Love most of the ideas. We need to move with the times and have fresh modern look, like the quay.* | *General* | *comment* |
| 179 | *Lot of good ideas* | *General* | *comment* |
| 180 | *Lets maximise what we already have - space. Don't fill it with mini-projects that require constant funding to maintain & resource, and what would subject the already pressurised transport system even further.* | *General* | *comment* |
| 181 | *Leave well alone* | *General* | *comment* |
| 182 | *Keep up the good work.* | *General* | *comment* |
| 183 | *Keep the beach and sea views as a priority and not spoil the views, which is what Poole Harbour is about.* | *General* | *comment* |
| 184 | *Keep it all for everyone* | *General* | *comment* |
| 185 | *Keep development to a minimum but of high quality so as not to spoil the natural beauty of cliffs, sea, sand and sky* | *General* | *comment* |
| 186 | *Keep beaches natural no amusement arcades* | *General* | *comment* |
| 187 | *Keep beaches as beaches - playspace/ beach huts yes, zipwires, pubs, gyms, shops wedding venues - NO* | *General* | *comment* |
| 188 | *Infrastructure is very important to our town and should be maintained.* | *General* | *comment* |
| 189 | *Include permanent housing/flats that blend in -using as much natural resource as possible* | *General* | *comment* |
| 190 | *In the 60s we destroyed much of Poole town character. It is essential not to continue doing this by all means modernise where required but not for the sake of it just because a building could go there!* | *General* | *comment* |
| 191 | *Improving services and facilities has not always been a success. Expensive cafes are not necessary. Stopping speeding cyclists is vital.* | *General* | *comment* |
| 192 | *Improve tired and ugly areas - make beaches more family friendly orientated - would not to see more drinking bars* | *General* | *comment* |
| 193 | *Improve facilities without spoiling Poole's natural features. Amenities require refreshing* | *General* | *comment* |
| 194 | *Improve and maintain exist facilities.* | *General* | *comment* |
| 195 | *if the facilities were managed more efficiently we wouldn't need these surveys* | *General* | *comment* |
| 196 | *If I could afford to live closer!?* | *General* | *comment* |
| 197 | *I think the idea to invest in the beaches and generally improve the facilities is a great idea and anything to enhance the experience for visitors and make them more family friendly is a good thing. I noticed bike hire features several times in the ideas* | *General* | *comment* |
| 198 | *I think the council have tackled this in a great way. The map showing the different segments and possible ideas was very imaginative.* | *General* | *comment* |
| 199 | *I think any new ideas implemented need to complement the natural identities that have evolved -they have evolved like this for a reason. More commercial ideas are suited to the Sandbanks/Shore road, whereas free amenity type improvements are appropriate* | *General* | *comment* |
| 200 | *I think all the ideas are great and forward thinking * bikes need lanes though* | *General* | *comment* |
| 201 | *I really only require that the area is kept clean and pretty much as it is. More facilities = more cars, more parking problems = unpleasant environment* | *General* | *comment* |
| 202 | *I believe the area should be developed within and to enhance the natural beauty* | *General* | *comment* |
| 203 | *Have decent facilities but keep the area as natural as possible.* | *General* | *comment* |
| 204 | *Good people are thinking about the environment* | *General* | *comment* |
| 205 | *Focus benefits more on Poole residents* | *General* | *comment* |

|---|---|---|---|
| 206 | *Established planning policies should continue to control investment proposals to protect ambience* | *General* | *comment* |
| 207 | *ensure a young vibrant feel* | *General* | *comment* |
| 208 | *Enhance the natural beauty and accessibility -install 'intelligent' L.E.D lighting - involve college/ art students* | *General* | *comment* |
| 209 | *Develop building that look run-down.* | *General* | *comment* |
| 210 | *Continue to keep them clean and beautiful* | *General* | *comment* |
| 211 | *Concentrate on maintaining natural environment. Don't ruin with gimiky attractions please* | *General* | *comment* |
| 212 | *Branksome Chine could be gently tidied, but it is a quiet area contrasting nicely with the beach, so new activities such as crazy golf don't seem appropriate.* | *General* | *comment* |
| 213 | *Beaches inside the harbour are just as important* | *General* | *comment* |
| 214 | *Beach conservation, continual update and maintenance of existing buildings.* | *General* | *comment* |
| 215 | *As a whole the ideas are great - well balanced to enhance the natural environment* | *General* | *comment* |
| 216 | *Anything that will improve the area whilst offering more reasons for people to visit. Anything should be in keeping with the area and overall theme. Poole is not Miami!* | *General* | *comment* |
| 217 | *Anything that brings in visitors* | *General* | *comment* |
| 218 | *Any changes made should not the beautiful natural environment* | *General* | *comment* |
| 219 | *Alterations seem to kill nature.* | *General* | *comment* |
| 220 | *All sounds great, but remember to be careful in choosing materials used as the salty air will get to anything and start corroding* | *General* | *comment* |
| 221 | *All of the ideas are great* | *General* | *comment* |
| 222 | *All improvements should not spoil the wonderful natural area* | *General* | *comment* |
| 223 | *95% of residents are satisfied at present - leave it alone! Yes spend money maintaining it and conserving it but nothing more* | *General* | *comment* |
| 224 | *If it ain't broke don't fix it  just keep it well looked after and please don't let it become another Bournemouth.* | *General* | *comment* |
| 225 | *Development must be high quality but low key buildings in with the natural environment not overpowering it. Poole does not want to become another overdeveloped and tacky Blackpool or Southend.* | *General* | *comment* |
| 226 | *The architecture along sandbanks is shoddy and scruffy and lacks a strong architectural focus - this could be improved.* | *General* | *comment* |
| 227 | *Poole Council is keeping all beaches in perfect order!!* | *General* | *comment* |
| 228 | *Why do the council want more people to visit the beaches? They are crowded enough.* | *General* | *Question* |
| 229 | *The over all idea is great - but who is going to pay for it in this economic climate? Cleaning and tidy it should suffice for now.* | *General* | *Question* |
| 230 | *Updating the existing structures so they are more attractive/beach-like (rather than concrete and dated).* | *General* | *suggestion* |
| 231 | *Traditional seaside look and feel with a modern twist.* | *General* | *suggestion* |
| 232 | *Smoke free areas. Do not make Poole a Blackpool or Benidorm location* | *General* | *suggestion* |
| 233 | *Make the most of what is already there, such as the woods and otherwise keep it simple. The promenade itself is a huge structure that is as boring as ... a huge slab of concrete. Why not renovate it in sections using different materials or whatever and integrating interesting structures or art works. I suppose that would be too costly.* | *General* | *suggestion* |
| 234 | *Look at exactly who currently use the areas and ask them what improvements would make it better or easier to use. They are current users and can provide valuable insight* | *General* | *suggestion* |
| 235 | *Improve stream at Branksome Chine, smelly and looks terrible* | *General* | *suggestion* |

| | | | |
|---|---|---|---|
| 236 | *I think more should be made of the environment - nature reserves, trees, planting etc. make it beautiful!* | *General* | *suggestion* |
| 237 | *better advertising for Poole beaches less reference to Bournemouth* | *General* | *suggestion* |
| 238 | *Smartly dressed guides, bright jackets, slacks or shorts to advise visitors about child safety, sunburn, areas etc* | *Guides* | *suggestion* |
| 239 | *Yes, real and purposeful consideration to infrastructure (access and egress from beach areas in such a way as to make living conditions for residents tolerable, especially in the Summer months. Too great a success would lead in the end to abject failure* | *Infrastructure* | *comment* |
| 240 | *Whatever you build, build in a maintenance budget so after a short while it doesn't become shabby and dirty.* | *maintenance* | *suggestion* |
| 241 | *We need to ensure that the facilities provided are income earners and the tradition of the beach areas being maintained. If we put in the buildings suggested then we will spoil the area for future generations. The cost of maintenance.* | *money* | *comment* |
| 242 | *Sky cafe sounds unreasonably costly to build and maintain* | *money* | *comment* |
| 243 | *The activities should be funded by the people who use them, its a lovely thought to be able to do it all but with pennies so tight the expense needs to be shared.* | *money* | *comment* |
| 244 | *Stop trying to make more money - improve services* | *money* | *comment* |
| 245 | *I would prefer less change & therefore less investment cost because: 1) I do not want higher council tax 2) I do not want a beautiful asset ruined by commercial greed 3) Visitors will be put off visiting by charges* | *money* | *comment* |
| 246 | *It would be a shame to spoil the beaches in pursuit of money.* | *money* | *comment* |
| 247 | *It all sounds very costly at a time of recession* | *money* | *comment* |
| 248 | *Important to not price local people out of enjoying the beach. Already it has become impossible to live in this area and it's overly a place for "non" Poole "born" people to visit/live* | *money* | *comment* |
| 249 | *Fund Projects by beach hut income/ franchise rates facilities should be durable and low maintenance* | *money* | *comment* |
| 250 | *Feel strongly that the users of beach activities should pay for the improvements. People with children should pay for children activities not the tax payer.* | *money* | *comment* |
| 251 | *Beaches are vital amenity provided by Poole and have to be paid for - an item on council tax should highlight this. Parks and beach area feature of Poole!* | *money* | *comment* |
| 252 | *Anything which takes more money from the public is a bad idea. eg. overhyped prices just because you have the ability to do it!* | *money* | *comment* |
| 253 | *Affordability! The vast majority of Poole residents don't have Sandbanks budgets! Residents' rates welcomed* | *money* | *comment* |

| 255 | *Save the money and give it to my sons school* | *money* | *suggestion* |
| 256 | *People using the beaches definitely help with the cost of keeping the beaches and the proms clear and clean of rubbish* | *money* | *suggestion* |
| 257 | *more volunteers to tidy up and keep the beach clean at all times* | *money* | *suggestion* |
| 258 | *Encourage groups or businesses to "adopt" a section of beach to take a pride in their area, especially if it is linked to their particular activity or interest. Maybe develop a competition for the best kept section?* | *money* | *suggestion* |
| 259 | *Why did Canford Cliffs station close? failure to invest in eco huts, security measures 999 boxes cutting waiting lists due to tenants who loopholed system/mansion tax will fund this/ consult retired beach workers and don't copy Bmth!* | *other* | *comment* |

| 261 | *There are sufficient cafes already just ensure they are clean and of a good, economic standard- tables cleared etc , sufficient rubbish bins provided.* | *places to eat* | *comment* |
| 262 | *RNLI stations on beach look brilliant. Cafes on the sand would also look great but would appear vulnerable at night.* | *places to eat* | *comment* |
| 263 | *Pubs would make the area lose its special character and encourage loud, drunken behaviour.* | *places to eat* | *comment* |
| 264 | *pricing would be main concern - i.e. ice cream/coffee shop for families & oaps* | *places to eat* | *comment* |
| 265 | *Please do not increase junk food outlets. Poole and UK have an OBESITY epidemic.* | *places to eat* | *comment* |
| 266 | *Licensing private catering establishments lets people invest and makes them responsible to keep premises looking good and designed well. Annual events are big attractions and less intrusive to locals.* | *places to eat* | *comment* |
| 267 | *It would be nice to see a more continental feel to the promenade - the odd tapas bar, for example, rather than greasy spoon cafes.* | *places to eat* | *comment* |
| 268 | *Branksome Chine food provision is inappropriate at present (meals too expensive or too basic). A pub might provide intermediate service* | *places to eat* | *comment* |
| 269 | *What do you mean by shell fish huts?* | *places to eat* | *Question* |
| 270 | *Undercover picnic area - all weather areas and shade in summer for families* | *places to eat* | *suggestion* |
| 271 | *Would welcome an all-year fish and chip kiosk at Sandbanks* | *places to eat* | *suggestion* |
| 272 | *When the weather is nice out of season could kiosks open? there is a lot of wastage of space with amusement arcades being empty upstairs* | *places to eat* | *suggestion* |
| 273 | *Food outlets could be much better - healthier alternatives would be popular. Current options are ok but generally overpriced.* | *places to eat* | *suggestion* |
| 274 | *Need decent cafes. Present ones are ice cream huts trying to be too posh. What about a Cafe Nero / Costa?* | *places to eat* | *suggestion* |
| 275 | *Have cafes open on beach in evening (I don't mean bars)* | *places to eat* | *suggestion* |
| 276 | *More BBQ areas* | *places to eat* | *suggestion* |
| 277 | *Ice cream huts open from 1st April to 31st September.* | *places to eat* | *suggestion* |
| 278 | *Keep cafe open until it gets dark. More cafes, bars* | *places to eat* | *suggestion* |
| 279 | *If the weathers good people often stay on beach later. Unfortunately none of the cafe are open. Perhaps opening late!* | *places to eat* | *suggestion* |
| 280 | *Fish and chip shop around shore road/ Sandbanks more water taxi points by extending groynes/ creating new ones more lights in chines and prom* | *places to eat* | *suggestion* |
| 281 | *cocktail/fruit bars on beach front instead of all the old unattractive beach huts* | *places to eat* | *suggestion* |
| 282 | *Branksome dean chine would be a great place for a proper fresh fish restaurant* | *places to eat* | *suggestion* |
| 283 | *Better food facilities at Branksome Dene Chine* | *places to eat* | *suggestion* |
| 284 | *People want cafes, restaurants etc like Europe* | *places to eat* | *suggestion* |
| 285 | *BBQ, fire area, somewhere for beach parties where you can chill out around a fire / bbq* | *places to eat* | *suggestion* |
| 286 | *BBQ areas* | *places to eat* | *suggestion* |
| 287 | *An 'all weather' barbeque v bar /cafe/ restaurant.* | *places to eat* | *suggestion* |
| 288 | *A restaurant - Sandbanks / Shore Road area as there's nothing at the moment except one 'elite' one and in hotels* | *places to eat* | *suggestion* |
| 289 | *Keep our beaches clean and tidy and keep an eye on there kids on the beaches* | *safety* | *comment* |
| 290 | *I walk from poole quay to poole park quite often. My wife and i find walking the shared route of cyclists and pedestrians becoming extremely dangerous . The cyclists are getting so fast an accident is certain to happen soon. So to improve this hazard i suggest you seperate the paths between the two. Also we find the boat repair yard is becoming a bit of an eyesore. An investment in this would improve the area substantially* | *safety* | *comment* |

|---|---|---|---|
| 291 | *I sometimes cycle along the promenade and there is a conflict between pedestrians and cyclists at busy times. I don't have an answer to this. A cycle lane seemed initially a suggestion, but it would degrade the appearance of the promenade if white lines* | *safety* | *comment* |
| 292 | *I have a concern for the increasing number of cyclists on the promenade. At busy times the large number of pedestrians and cyclists are too much for public safety to be maintained.* | *safety* | *comment* |
| 293 | *Either ban cycling or ensure the existing rules are enforced, preferably the latter.* | *safety* | *comment* |
| 294 | *Any improvements will require improved beach security as areas could attract undesirables to the area.* | *safety* | *comment* |
| 295 | *A closer eye needs to be kept on those in the sea. Jet-skis and water craft need better management.* | *safety* | *comment* |
| 296 | *More care needed to control cyclists and skaters on the promenade. Elderly people cannot hear them coming.* | *safety* | *suggestion* |
| 297 | *I think that some sort of chicane system is required to help reduce the speed that some of the cyclist's travel at along the Sandbanks Promenade. A system that would not inconvenience the pedestrians but would inconvenience cyclists.* | *safety* | *suggestion* |
| 298 | *Enforce no cycling regulations in summer.* | *safety* | *suggestion* |
| 299 | *Bikes on the prom are dangerous* | *safety* | *suggestion* |

| | *2. Make people more responsible for ensuring litter is kept to a minimum - the current level of litter is appalling, encourage people to pick up 2 pieces of 'safe' litter every time they visit the beach and have the ability to report large or 'unsafe' items so that it can be removed by beach wardens* | *Safety* | *suggestion* |
| | *3. Have beach wardens on patrol to provide encouragement to beach goers to be responsible.* | *Safety* | *suggestion* |
| 301 | *4. Have designated BBQ areas* | *Places to eat* | *suggestion* |
| 302 | *Quite concerned by some ideas beach is used all year round. Please DO NOT introduce any more on road parking meter. £15 a day is not fair for all users not to BBQ area* | *Transport* | *comment* |
